FIGHTERS IN TRIM AS TRAINING ENDS

Jeffries and Johnson Announce Themselves Ready For Big Battle.

FIGHT FOLLOWERS GATHERING

Johnson Orders Langford's Manager Away From Camp—Closing Features of Training—Fitzsimmons Coming.

Reno, Nev., June 30.—James J. Jeffries and John Arthur Johnson tonight are both ready to fight. Both men completed the long training work today and will merely do light exercise through the three days that will elapse before they face each other in a 22-foot ring to fight out the heavyweight championship of the world on July 4th.

As Johnson walked toward his dressing room after boxing several rounds he was asked what work he contemplated tomorrow.

"I am through," he said, "this closes my work."

"I am ready. My training is finished. With the exception of a sprint now and then to keep myself in shape, I will do no more work." This was the declaration made by James J. Jeffries late today.

Declaring that he would not work out in the presence of Joe Woodman, manager of Sam Langford, Jack Johnson personally ordered Woodman out of the grounds at the champion's training camp today. It is understood that Johnson has taken offense at the repeated declarations made by Langford and his manager that the champion dared not fight Langford.

The feeling, it is said, dates back to the time when Johnson boxed with Langford in an exhibition at San Francisco several weeks ago. Woodman at that time caused quite a turmoil by offering to put up money that Langford could beat Johnson if the two were matched for a real fight. He reiterated his offer time and again and it is said had since declared that Johnson is afraid to meet Langford. The Woodman incident occurred shortly after Johnson returned from a jaunt on the road today. The champion learned that Woodman was on the grounds waiting to see the work-out before the moving picture machine.

"I'll not work while he is here," said Johnson. Summoning the deputy sheriff on duty at the hotel he instructed him to tell Woodman to leave. The officer did so but Woodman refused to heed.

In the meantime Johnson had gone up to his room to be rubbed down. When he came down stairs, he walked up to Woodman, who was standing on the porch of the hotel.

"Mr. Woodman," he said, and his tone was quiet and courteous, "I sent a man to ask you to leave these grounds and to tell you that I did not care to have you witness my work. You refused to go. Now I ask you personally and as nicely as I know how, to go away. I don't want you around my camp."

"Why should I go?" asked Woodman. "This is a public hotel."

"You know what rests between us," returned the champion. "You know why I don't want you around here. I ask you again to go." Johnson went away and went back to his rooms.

"Well," said Woodman, "rather than cause any trouble, I'll go." He got into his machine and went back to the city.

The champion did eight miles of road work before 10 o'clock today.

Out at Jeffries' camp there was absolute peace. The former champion arose at his usual hour and after breakfast started off on a fishing trip with Jack Wooley, an old friend who arrived from the coast yesterday.

Jeffries' big touring car was badly wrecked this morning while returning to camp from Reno with Todd Boyer, Jeffries' nephew at the wheel. The car which carried besides Boyer, Dick Adams, Jack Jeffries and Bob Armstrong, was traveling at a moderate rate of speed about half way between the city and the camp when Boyer lost control and it plunged off the road, smashing into a telegraph pole. Armstrong was thrown out and his hip bruised but the others were not injured. The machine was so much damaged that it will be several days before parts can be secured and put in. Boyer had taken the machine to town to get Jeffries' target rifle repaired.

Today marked the beginning of the real invasion of Reno by the country's fight followers. From East and West they arrived, every train crowded to its capacity.

A conspicuous arrival from the coast was Stanley Ketchel, the middleweight who is championing the cause of Jack Johnson.

Jack Grant, of Portland, Ore., a well known former referee and fight promoter, also came in.

Chicago, June 30.—George Little, former manager of Jack Johnson, through his attorney today withdrew his suit against Johnson. In ordering withdrawal of the suit Little announced that he and the black champion had settled their financial difficulties.

Has Faith in Jeffries.

Seatle, Wash., June 30.—Bob Fitzsimmons, ex-champion heavyweight, arrived in Seattle today on his way to Reno to see the Jeffries-Johnson fight. Fitzsimmons hopes that Jeffries will win and believes that he will, if he is in good condition.

"You'll see a fight that is a fight," said Fitzsimmons. "Jeffries never has hit a man as hard as he can, but he will not be under restraint with Johnson. When Johnson faces the only man who ever beat me fairly and honestly, he will have the toughest argument of his career."

Will Prohibit Fights.

Atlanta, Ga., June 30.—To increase the stringency of the anti-prize fight bill passed yesterday, the Georgia Senate today added an amendment which prohibits "any contest, with or without gloves in which violent blows are struck by the contestants, and to see which gate receipts are charged."

Senator Matthews, who introduced the amendment, declared prize fighters to be ruffians and said: "We ought to prohibit any contest between such animals in our State."

Sharkey to Challenge.

Laramie, Wyo., June 30.—Tom Sharkey passed through today on his way to witness Jeffries and Johnson fight and announced that he would challenge the winner. Sharkey stipulated the battle should be for a purse of $25,000.

FOR U. S. SENATE.

New Orleans, July 1.—The Legislature, which is now in session, is expected to select Governor Jared Y. Sanders for the United States Senate. The death of Senator McEnery gives Governor Sanders the chance he has long wanted—viz, to go to the United States Senate. Governor Sanders championed the anti-racing bill that killed horse racing in Louisiana. In case the Legislature selects Sanders for the Senate, Lieutenant Governor Lambremont will take up the duties of State Executive.

COTTON MILLS BEGIN CLOSING

Great Curtailment Movement Among Mills in Carolinas and Georgia Starts—Over 2,000,000 Spindles Will be Idle.

Spartanburg, S. C., June 30.—The great curtailment movement among the mills of the Piedmont begins tomorrow. Mills in North Carolina, South Carolina and Georgia will close down until the 12th of July. Out of three million spindles, two and three quarter millions have signified that they would join in the curtailment which will include at least a month in all during the Summer. The movement will mean a cutting off of from one million to two million pieces of cloth, or one-twelfth of the output.

Mr. Aug. W. Smith, president of the Woodruff Mills, when asked tonight about the closing down of the mills, said: "There is a loss in every pound of cloth we are putting out and we have to curtail to cover in part this loss and create a demand for our goods. I should say the output of the mills will be cut down one-twelfth by the curtailment, which will be done this Summer, and which will amount in all to about four weeks' time."

Mr. John A. Law, president of the Saxon mills, said: "There will be the largest curtailment among the cotton mills of Spartanburg county ever known. The price of manufactured goods is out of proportion with the price of cotton. A great many of the mills will close down on the first of July and others on the 25th."

New York, June 30.—On motion of United States District Attorney Wise, under instruction of Attorney General Wickersham, indictments found in 1908 against Theodore H. Price, the cotton operator, Moses Haas, Frederick A. Peckham and Edwin S. Holmes, Jr., or conspiracy in connection with the cotton report leak, were today quashed by Judge Hand, in the United States Circuit Court. Holmes, Haas and Peckham pleaded guilty to similar indictments in Washington this week and Holmes and Peckham paid fines of $5,000 each and Haas one of $00.

Norfolk, Va., June 30.—The tug Britannia is expected to leave tomorrow morning having in tow the revenue cutter Algonquin, bound to New York for repairs that will cost $37,000. The Brittania will proceed to Philadelphia to bring to Norfolk the four-mast ship Erskine M. Phelps, which will load coal here for Honolulu for the American naval station.

POLITICAL STING GIVEN ROOSEVELT

Measure He Strongly Advocated, Defeated by New York Assembly.

DIRECT PRIMARY BILL LOST

Organized Republicans Killed Measure by Decisive Vote—Outcome of Long, Hard Fight—Speaker Wadsworth Talks.

Albany, N. Y., June 30.—Theodore Roosevelt was beaten decisively today. Whatever may be the final outcome of his first adventure in politics since his retirement from the White House, he met defeat flatfooted at the hands of the Republican organization in the Assembly. At a late hour the Senate had not made up its mind. There were indications that the session might continue the greater part of the night.

The Cobb direct nomination bill was killed in the Assembly this afternoon after a long, hard fight. The final count stood 80 to 63 in favor of accepting the adverse report of the judiciary committee, which had the bill in charge. The Republicans in the Senate held a caucus tonight, but only 23 Senators were there. They voted to make a party measure of the Cobb bill, with the amendments proposed by Lloyd C. Griscom, chairman of the New York County Republican Committee, and favored by Col. Roosevelt. But it takes 26 votes to pass a bill in the the Senate, so that the situation was not cleared.

Then the Senate went in session and as midnight drew near it was still at it, with no vote in sight. The scene was almost as dramatic and exciting as though Col. Roosevelt himself had been here to lead the battle.

There is talk of still another special session. The Assembly this afternoon voted to adjourn at 2 o'clock tomorrow afternoon and if the Senate concurs and the Legislature quits work with no primary bill passed and without having provided for necessary financial measures, the leaders say Governor Hughes may call it back again.

Roosevelt was the potent figure in today's contest. It was a clear cut issue between the ex-President and the "organization" leaders, and the leaders won.

It was a long, hot, tense day. From the moment that Col. Roosevelt sent his telegram to Mr. Griscom, urging the passage of the bill, things hummed. The situation suddenly became one which was regarded as of National significance. The question was whether Roosevelt of Sagamore Hill was as mighty as Roosevelt, of Washington. Those who had previously supported the Cobb measure, including even Gov. Hughes, slipped into the background. In front of them all was the commanding figure of Theodore Roosevelt.

Speaker Wadsworth was frankly lad at the turn things had taken. The action of the Assembly today," Speaker Wadsworth said, "should not e construed as a gratuitous slap at he ex-President or at the Governor. The Assembly feels that it gave the ullest and most deliberate consideration to primary reform at the regular session.

"The supreme issue is whether the Assembly shall swallow its convictions and deliberately reverse its honest judgment, and thereby announce to the Legislatures of the future that the legislative branch of the government, supposedly independent, can be coerced and forced to occupy a secondary position in our system of government. It is a question far beyond that of the merits or demerits of direct primaries."

VIOLENT SLUMP IN STOCKS.

Some New Low Marks For Season. Cause Seems Unknown.

New York, June 30.—The ebbing tide of values in the stock market began to go out this morning from the very opening with a rush that showed the lock gates were wide open. The big banking interests on whose tolerance all movements of speculative expansion rest, seemed well willing to let a readjustment take its course unhampered and rumors that J. Pierpont Morgan was holding a conference in his offices with other powerful financiers were met with the statement that neither Mr. Morgan nor J. Pierpont Morgan, Jr., had been at their offices today.

During the morning hours the market seemed to have no bottom. An enormous amount of selling orders had accumulated over night and from the size of the blocks that came out, it seemed positive that the holding pools of earlier upward movements were dissolving. Steel common broke through the price of 70 at which it has been said it was pegged; Union Pacific sold at a decline of 20 points from its mark a week ago; and there were many other new low marks for the season.

Late in the afternoon there was a recovery due in part to profit taking of shorts and the lessened volume of trading seemed to indicate that an easier feeling would follow the violent readjustment of earlier hours. Total sales for the day were 1,515,775 shares.

TAFT AND TEDDY BEST OF FRIENDS

Greeted Each Other With Evident Delight at Beverly Yesterday.

SEPARATED SIXTEEN MONTHS

Rumors of Coolness Between President and Ex-President Utterly False—Roosevelt Denies Report Regarding Gov. Hughes.

Beverly, Mass., June 30.—For a full minute this afternoon President Taft and Col. Roosevelt stood on the broad veranda of the Evans cottage with hands upon each other's shoulders, while evident delight shone in every line of their smile-enwreathed countenances.

"Mr. President"—it was Roosevelt, who spoke and there was earnest warmth in his salutation.

They patted each other affectionately on the shoulder. They laughed in a way that left not a single lingering doubt as to the exuberance of their feelings. They seemed utterly oblivious of the fact that there were others present.

"It used to be 'Mr. President' and 'Will' didn't it?" cried the colonel in his old familiar high pitched voice, "but now its 'Mr. President' and 'Theodore,'"

The two old friends meeting after 16 months of separation with all the warmth that used to characterize their association in Washington, slapped each other again on arms and shoulders.

And so it went throughout the afternoon. The meeting was everything that the friends of President Taft have claimed that it would be and the persistent prophecies of those who have insisted all along that a coolness had developed between the two men proved to be utterly fallacious.

Col. Roosevelt was still in the spirit of the renewed association with the President when, after two hours and twenty minutes spent with Mr. Taft and members of his family, he started back to Nahant to spend a second night with Senator Lodge.

As he was leaving the shaded grove of the President's cottage Col. Roosevelt stopped to speak with several old newspaper friends from Washington.

"I had a most pleasant time with the President," he exclaimed. "There is nothing particular to say is there, Cabot?" turning to Senator Lodge.

"No, I think not," put in the Senator.

"We had a most delightful time and that is all there is to it," added the colonel.

"By George, look at those miscreants," he exclaimed as several photographers who had climbed on a stone wall for a vantage point began to click their cameras with a perfect fusillade of snapshots. "Does Beverly come up to Oyster Bay?" some one asked.

"You know I am fond of Oyster Bay," replied Mr. Roosevelt, "and I don't want to make any comparison, but by George, Beverly is beautiful. This whole North shore is perfectly lovely."

With a wave of his Panama hat, with a hearty word of good-bye he was off.

The President and Col. Roosevelt walked about the verandas of the cottage for some time arm in arm.

They sat for a while in a secluded portion of the porch, overlooking the dancing waters of the bay. The afternoon was ideal. Their heads were close together, but scarcely a minute passed that their voices were not ringing with laughter. No meeting of the old friends could have been more affectionate and it deeply impressed the few who were permitted to witness the event that has been looked forward to with so much interest by practically the entire country.

Tea was served on the veranda, Mrs. Taft, Senator Lodge and Secretary

John L. Sullivan and Jas. J. Corbett Meet

Photo by American Press Association.

This picture, taken by staff photographer of the American Press Association, shows John L. Sullivan making his first call on Jeffries, where he was met by Corbett, who told him he was a "knocker" among other things. For a time it appeared as if the two men might mix, but their troubles were settled. Notice the "what-are-you-going-to-do-about-it" look on Corbett's face, while Sullivan has the fat man's peaceful countenance. Jeffries has agreed that Jim Corbett will be the only man in his corner to give him instructions during his fight with Johnson. Jeffries says that Corbett will be the only man to talk to him as the fight progresses. Any other second that has an idea as to how he should fight the big black will impart his information to Corbett, who will in turn talk to Jeffries if he thinks suggestion wise. Efforts to have John L. Sullivan advise Jeffries met with a cold rebuff on the part of the Jeffries followers, the big boiler maker's friends declaring that John L. knows nothing about the modern game.

STRIKERS BECOME DESPERATE

Send a Human Ear With Letter Threatening Life of President of Pittsburg Steamship Company—Strikers Out Two Years.

Cleveland, O., June 30.—Wrapped around a bottle of alcohol in which lay a bloody human ear, Harry Coulby, president of the Pittsburg Steamship Company, received a letter here today in which he was threatened with nameless mutilation and death if he refused to accede to the demands of the sailors who have been on strike for two years.

The man to whom the ear belonged has already been identified as Edward Frazer, a non-union sailor, who was assaulted in Buffalo, N. Y., last Monday. After the assault his ear was severed from his head by his assailants. The man was picked up several hours later by the police. He was in a dying condition from loss of blood. Across his chest there was pinned a sheet of paper on which was written "Don't be a scab."

On receipt of the letter Mr. Coulby turned it together with the bottle and its gruesome contents over to the Federal authorities and a search was immediately commenced through every port on the Great Lakes for the perpetrators of the outrage. In the letter which has not been made public, it was explicitly stated that the writers were the same men who had assaulted Frazer.

It was reported tonight that the Buffalo police had already made a number of arrests and the police of the other lake cities have been ordered to take into custody all suspicious characters, especially those of a seafaring type.

The seamen's strike, of which this is a culmination, commenced two years ago on the question of a closed or open shop. Mr. Coulby has consistently stood for the open shop policy and the company's steamers have maintained their schedules in spite of repeated trouble with the men.

NORTH DAKOTA PRIMARIES.

McCumber and Gronna Were Nominated Yesterday.

Grand Forks, N. D., June 30.—Senator Porter J. McCumber, stalwart, and Congressman A. J. Gronna, insurgent, were nominated in the North Dakota Republican primaries yesterday for the United States Senate, according to returns received tonight. Gronna will succeed the late M. N. Johnson. Thomas Marshall, former Congressman, and Judge Edward Engerud, are the defeated candidates.

For Congress, L. B. Hanna, stalwart, was nominated for re-election, while H. T. Helgeron, insurgent, was nominated to succeed Congressman Gronna.

In the gubernatorial contest, C. A. Johnson, stalwart candidate, defeated J. A. Buchanan, insurgent.

Norfolk, Va., June 30.—Delegates from the Norfolk Board of Trade to the third annual convention of the Atlantic Deeper Waterways Association at Providence, R. I., August 31st and September 1-3, were today named as follows: M. T. Anderson, Harvey M. Dickson, Harry K. Walcott and Jos. A. Hall.

SOUTHERN WOMAN'S RASH ACT

Mrs. Jeanne Catlett Poisoned Her Child and Killed Herself in New York—Husband a South Carlinian—Leaves Message.

New York, June 30.—Haunted by the intolerable fear that she was going insane, Mrs. Jeanne Hodgson Catlett gave cyanide of potassium to her two months old daughter, Jeanne, this afternoon and swallowed a draught of the same poison herself. Both lay dead on the same bed when the husband, a supervising chemist employed by the Western Electric Company, came home tonight.

Beside the young mother lay a long letter to her husband. "Don't think me cruel to the little life I've made," she wrote, "but rather that I am saving her so much pain for bodily is nothing to this that is either insanity or nervousness—only God knows. She would surely inherit it.

"Don't mourn for me. I wish I could go on with just you and our love. My very life is one continuous thought of thankfulness for it, but my mind must be relieved. The tension is frightful."

Evidently there was a moment when the young mother yearned to spare her daughter, for farther down she wrote:

"If I leave our baby, tell her I kissed her with lots of love and I am sorry ever to have been cross to her.

"Leave my locket on me, but wear my wedding ring. I have loved it so and caressed and kissed it so as the outward sign of the happiest moments of my life.

"Put our baby in the very same place with me and try to think always of my love for you—not this horrible nervousness."

Pinned to the outside closed bedroom door was a note to her husband reading:

"George, don't come in. Let some one else—one of the boys."

Mrs. Catlett, who was born in Virginia 24 years ago and her husband, who is from South Carolina, met three years ago at Falls Church, Va. They fell in love at first sight and were married in April, 1909. Since the birth of her daughter, Mrs. Catlett has been very nervous and her morbidness was heightened by the fact that her little girl, named for her, cried much of the time.

BRYAN AT MONTREAL.

Tells of Edinburgh Conference at Y. M. C. A. Gathering

Montreal, June 30.—William J. Bryan, who arrived at Quebec yesterday from Bristol, Eng., spent today in Montreal. He was the guest of honor of the Montreal Y. M. C. A. at a luncheon and told about the recent missionary Congress at Edinburgh. Attempts to draw Mr. Bryan into an expression of opinion on public questions were not wholly successful. To the question, "Are you likely again to be a candidate for the Presidency," he replied: "How do I know., Much depends. I never discuss politics outside my own country."

Later Mr. Bryan attended the aviation meet at Lakeside. He expected to leave for Chicago tonight.

Baltimore, June 30.—Edward W. Highsmith, one of the victims of the accident on the Baltimore & Ohio Railroad trestle bridge here yesterday, died today, increasing the death roll to six. Highsmith was a carpenter employed by the railroad company nd came from Richmond, Va.

THE CRIMSON WON RACES FROM YALE

Sixty Thousand Persons Witnessed Annual Regatta on Thames.

HARVARD TOOK ALL HONORS

Crimson Victorious in All Three Races With Yale on the Thames—Most Thrilling Regatta in Years Won All Honors.

New London, Conn., June 30.—The setting sun could not tinge the waters of the Thames this evening with a deeper crimson than they had been dyed by the victories of three Harvard crews. On the broad four mile stretch between this city and Gales Ferry, Harvard met Yale today in their 44th annual rowing regatta. Five lengths was Harvard's margin of success in the varsity eight oared race, three lengths in the freshman eight, and four lengths in the varsity four. The freshman four race won by Yale Wednesday evening, was the one sweet drop in Yale's bitter cup of defeat.

It is estimated that 60,000 persons saw the final race and that 40,000 of them were from out of town.

This multitude saw three as thrilling races as ever cut the waters of the Thames.

Here are the times: Varsity eight: Harvard 20:46 1-2; Yale 21:04. Varsity four, Harvard 13:00 1-2; Yale 13:18. Freshman eight: Harvard 11:54 1-2; Yale 12:02.

The varsity four and freshman eight oared race at two miles were rowed up stream this morning. The varsity eights raced four miles down stream this afternoon.

A quartering southwest breeze that roughened the river and blew in the faces of the crews caused slow time in the early events, but the main race of the day was rowed on water ideally smooth and the time was the fastest in any down stream race on the Thames since 1903, when a victorious Yale crew covered the four miles in 20 minutes 19 2-5 seconds. Yale 1888 holds the record for the course 20 minutes 10 seconds.

The victory of the Crimson in the big varsity race was not unexpected although Yale for the past ten days had been rated rather more dangerous than it proved.

The Elys held on to the Crimson up to the last half mile. Then the superior physical power in the Cambridge boat settled the contest. Harvard's big eight averaged seven pounds per man heavier than Yale's and one inch taller.

The big race was another demonstration of the cleverness of Jim Wray, the Harvard coach, in turning out fast crews composed of big men.

The crew which represented Yale this afternoon averaged 171 5-8 pounds. But Wray had a crew which averaged 179 pounds to the man.

Yale tried to kill off Harvard today by setting a fast pace and pulled the highest stroke that any Yale crew has rowed in years. Starting at 89 strokes to the minute Yale only dropped to 36 at the half mile. Soon after the half mile flag had been passed Yale let her stroke down to 34 to the minute, which was held until near the finish with two exceptions. At the two mile flag Wallis spurted to 36 and from the 2 3-4 to the 3 1-4 mile point where he made his last and best effort of the race, he raised his stroke again to 36 and gave the best exhibition of rowing that Yale put forth in the entire contest.

Harvard started at 37 per minute, dropped to 34 at the half mile, then raised her stroke one point at the mile, when Yale was getting her only substantial lead of the race. From the mile flag until the 2 1-2 mile flag Harvard held her stroke at 34. At the 2 1-2 she raised it one point, but soon dropped to 34 again which rate she held until the 3 1-2 mile had been passed when stroke Cutler lifted the pace gradually until he was rowing 37 to the minute when he cross the finish line.

From these figures it will be seen that Harvard really rowed a lower stroke on the average than Yale. The very opposite has been true of former Harvard races.

Harvard got a trifle the better of the start, but soon Yale's higher stroke pulled the Blue's shell slightly to the front and at the half mile Yale led by from 12 to 14 feet and at the mile by two thirds of a length. Harvard's spurt, however, soon cut down this lead and at the mile and a half the crews were even. Then Harvard's more powerful stroke began to gradually forge her shell ahead. At the two mile flag the Crimson was leading by a third of a length, at the 2 1-2 mile by a half a length and at the three mile flag there was open water between the two shells.

Over the last mile Harvard literally rowed away from Yale and added more than four lengths more to her lead. Yale's rowing at no time was so finished as that of her rival.

Among those who witnessed the race were Robert Bacon, United States Ambassador to France, whose son, E. C. Bacon, pulled No. 5 in the Crimson shell; Secretary of the Treasury MacVeagh and Secretary of the Navy Geo. Von L. Meyer, who had a son in the winning Harvard freshman eight.

Roger Cutler, 1911, of Brookline, Mass., stroke in today's varsity race was elected captain of the Harvard crew for next year.

GIANTS BLANKED SAILORS

Webb Pitched No-Hit Game and Locals Were Let Down Six to Naught—Costly Errors Five in Number.

One Mr. Webb essayed the ridge for the visitors in the opening game with Goldsboro here yesterday afternoon and having let the locals down without a single hit, five errors on the part of the Sailor crew and a few scattered hits off Hawkins, gave the Giants six runs which spelled a whitewash for Wilmington. The Goldsboro team has recently been much strengthened and this accounts for the superior article of the sport served to the pilgrims at the park yesterday afternoon.

The first inning was out in order for both teams, Brown on fly to left, Sharry and Sharp short to first, while Klutz flew to right, Dubbs whiffed and Tydeman was out from short. After McDonald for the visitors flew to left in the second Daily singled to right but Gates and Clancy flew to short and centre. For the Sailors Mills flied to right, Doak was out third to first, Bacon ambled but Burke was out at first.

Giants Evans and Webb ethered while Brown flew to first in the third, while Wilmington was short with Gilmore out third to first, Hawkins safe on an error of second and Kluttz being retired with him on a double of a hit to short to second to first.

Goldsboro started the runs in the fourth when after Sharry was out short to first and Sharp fouled to catcher, McDonald singled by third and Daily to right, both men advancing on an error of Burke; Gates then hit to short and went to second on error, while the two runners were scored. Clancy was out short to first. For Wilmington Dubbs flied to centre, Tydeman popped to catcher and Mills was out second to first.

In the fifth after Evans fanned, Webb singled to centre and stole second, but Brown fanned and Sharry flied to right. For Wilmington Doak flied to left, Bacon to centre, Burke was out second to first.

In the sixth there was further scoring when Sharp drew a constitutional but was out on fielder's choice of McDonald's bunt; Daily then flew to right, but Gates hit a hot one to second, advancing McDonald to third. Clancy was up and Gates stole second; Burke failed to stop a throw from catcher which was a little high and Dubbs made a pretty leaping catch behind Burke, recovering the ball but could not throw in quick enough to cut off McDonald at the plate; Clancy popped to second. Wilmington; Gilmore fouled to catcher, Hawkins fanned, Kluttz out third to first.

Rank errors gave the visitors two more in the seventh after Evans had flied to centre and Webb had fanned. Brown singled over second; Sharry hit by short and on throw in to pitcher by Tydeman and wild throw to third, Brown and Sharry scored; Sharp was out short to first. Wilmington: Dubbs out short to first, Hawkins fanned and Mills flied to left.

In the eighth McDonald was out second to first, Daily flied to centre and Gates fanned. Wilmington: Doak out third to first, Bacon fanned; Burke was safe on error of short but was retired with Gilmore on a double short to second to first.

Another run came in the ninth when Clancy hit to the Bull Durham sign and the fielder fell over backwards in an attempt to get the ball, the runner going to third; Evans fanned and Webb then singled through short, scoring Clancy; Brown was safe but Webb was out on fielder's choice; Brown stole second but Sharry ethered. Wilmington: Hawkins and Doak out short to first; Dubbs fanned.

WHITEVILLE-MULLINS.

Game Ran for Ten Innings and Was Won by Tar Heels.

(Special Star Correspondence.)

Whiteville, N. C., June 30.—The Whiteville baseball team played the fast Mullins, S. C., team on the latter's turtle-back yesterday, winning a ten-inning contest by the close score of 2 to 1. The game was one of the fastest played in Mullins in years, and the work of the Whiteville ball team is being praised on all streets. Three games will be played here next week. Tucker and Green have been added to the locals' line-up.

BATFEST AT ROCKY MOUNT

Railroad Flingers Could Not Stem Batting Rally of Militant Highlanders—Sixteen Hits Registered Off Three Pitchers.

(Special Star Telegram.)

Rocky Mount, N. C., June 30.—Starting badly by letting Larry Wolfe, formerly of Goldsboro walk two men, Munson was ineffective when called to the box and five Highlanders romped home in the first two frames and hitting was the cause. Schuman pitched the seven following innings but could not stem the rally. The game was a farce on account of the heavy hitting of the Highlanders and ineffectiveness of the crew's flingers.

! ! ! ! ! ! "Weeps" ! ! ! ! ! !

"Is this an hour
For private sorrow's barren song."
—"In Memoriam."

Huh!

Go away!

Settling down.

Back to the toboggan.

Another no-hit artist enters the limelight.

Mr. Webb did certainly stunt our hit column.

Webb's tortoise ball had the domestics fooled.

The noise in the grandstand sounded like a morgue.

Enthusiasm seemed to be frost-bitten on both lips.

Wednesday it was Score Board! Yesterday, Score Bored!

The applause from the stands was about on a par with the play.

The Sailors should abjure a few noticeable steam roller tactics.

Evans made a pretty catch of Doak's skyer back of the scoreboard.

Goldsboro ground out two of the double-plays they're noted for.

We're ashame to think the attendance was a Wilmington crowd.

Gilmore needed a range finder bad. His winging was decidedly off.

In the earlier frames Mr. Webb anited nearly every ball he served.

Wadesboro and Laurinburg are playng great ball in the Pee Dee circuit.

Some mahogany rooter was heard to refer to shortfield as the error paror.

A whole watch of the Sailors appeared to forsake things mundane in he 7th.

A wight who chews tobacco like Goldsboro's pitcher certainly has to have Webb feet.

Webb had the appearance of having nothing, while as a matter of fact he had everything.

"Certainly we didn't ring up a bingle, but look what a juicy bunch of bobbies we tucked away."

Dubbs leaped for a wild peg over Burke's head in the 6th, stabbing the sphere with mailed hand.

Bacon, the new man on third, didn't get a chance. It would be superfluous to add he didn't get a hit also.

Eight Giants were atmosphered by Hawkins, two each in the 2nd and 5th frames. Evans churned three times.

The only redeeming feature of the game, from a local standpoint, was the umpiring of Mr. Barre, who is the best ever.

McDonald, Goldsboro's new manager, and first baseman, from an avoirdupois viewpoint, resembles a pocket edition of President Taft.

Mr. Barre's drawling enunciation is the Big Noise all right. And it gives the crowd an opportunity to know how balls and strikes stand.

Hawkins had all kinds of control, walking but one man. With three balls and no strikes on a Giant, he put the next trio over for a fan-out.

Hawkins pitched a good steady game, and kept his hits reasonably well scattered. As a matter of fact, it wasn't hits that caused the damage.

After playing a beautiful game earlier, Dubbs turned round and made a wild throw, which started the Giants' coring. Dubbsy, when he is good, is ery good indeed, but when he is bad like the little girl with the forehead url) he is horrid.

The crowd at the park was disapointing, to say the least, and those here failed utterly, by way of rooting, o show the Sailors they were with hem. Actually, the Goldsboro players ade more noise than the grandstand nd bleachers put together. Give the oys a good attendance today, and ell behind them.

Wasn't it our old Celestial friend, A T'aipai, who mumbled something nent "if life be nothing but an empty ream, why vex one's self about the hings of time"? With our present eelings, we can't help but think the lop Club in the T'aipai village must not have been puffing over .23 when he old codger riled off that sentiment.

Resorting to the graphite again afer a short silence we'd go on to say his slush column could be kept full indefinitely, but if the team keeps losing and we continue junking, somebody's sure to pull that Tennyson dope on us about:

"Let him be
He loves to make parade of pain,
That with his piping he may gain
The praise that comes to constancy."

OBSERVATIONS

By a 33rd Degree Fan

When a baseball team wins, there is a reason for it and when it loses there is also a reason. On this reason fans may disagree and there will be a great variety of opinions. Like a great many other things though, the cause of victory or defeat can be as definitely and accurately determined as the location of a bullet by the surgeon's probe. Every big league club and nearly every minor league club of any consequence has a secretary whose duty it is to reduce to figures the performance of every player and the team collectively and by comparison bring out the defects. The ability of every man in the league is carefully guaged and his speed determined as accurately as if it were done with a stop watch. So true is this that a player, especially a catcher and pitcher, is rarely of any service to his club until he has played a season or more. He must know exactly how far his opponents may be allowed to play off the bag and how fast they can run from one base to another. A catcher will often times allow one player to stray ten feet off the bag, while another will not be permitted to stray five feet.

On one occasion the Chicago club in a bus on the way to the ball park, was sizing up a certain young player who had recently broken into the big league and was astonishing every one with his speed. A bet was made that Kling would not catch him off the base. During the game the young player was on second with a lead for third. The pitcher delivered the ball and Kling drew back his arm as if to throw and the runner observing the motion dived for the bag and was astonished to find that the ball was not thrown and that neither Tinker or Evers had moved from their tracks. The crowd jeered and the player brushed the dust from his clothes, feeling just a little foolish. The next time the ball was delivered, Kling made the same motion and the runner with his eyes on Kling and Tinker saw that Tinker did not move again. This time, however, the ball was thrown and when the runner saw it flying through the air, he immediately jumped for the bag but was touched out by Evers, who had moved up and took the throw. Kling had accurately guaged that runner's speed and fooled him with a little trick. But back to our meat.

Take for example a club that has played 27 games and their pitching staff has allowed the opposing teams 162 hits and 58 bases on balls, an average of six hits per game and two bases on balls per game. They themselves have made 85 errors, an average of more than three errors per game, and have averaged less than two hits out of 10 chances at bat. It could hardly be claimed that the pitching staff of that club was weak, so any effort to secure stronger pitchers is misdirected. Of course the better the pitcher the stronger the club, but it is not the weak point of the club in question. Consider now that in 13 of the 27 games the opponents got five hits or less and then ask yourself the question, how many of these hits would not have been made if the team mates of the pitcher had not prolonged the game by making three errors per game. I should say the pitching staff is tolerably good. What that club needs is batters and fielders and it is folly to attempt to secure pitchers to shut out the apponents or hold them down to one or two hits in a majority of the games. It reminds me of the old woman who put all of her eggs in the basket and when she stumped her toe, lost all of her eggs. Suppose they have five good batters on the team and one gets sick, the loss is not near so great as if they lost one of their shut-out pitchers, besides no club will ever get a staff of pitchers who can shut out the opposing team a majority of times. Examine the guide, the gospel of baseball and you will find that 80 per cent of the pennant winners lead the league in batting and the others are not far behind. It's a good rule to follow.

Stop up the holes in the infield and get a team that will average more than two hits out of 10 opportunities and that club will do pretty well.

But, pshaw! What's the use, there is of course no such club and I conclude with the suggestion, that we eliminate Fayetteville as a factor in this race and let the other five clubs fight it out. Anybody second the motion?

Pittsburg, June 30.—Pittsburg displayed for the first time today the great black and gold flag won in the World's championship series with Detroit Americans last Fall and following the flag raising ceremonies the team went to work and won in the very first inning a game from Cincinnati. The first five men at bat each scored a run, three hits being helped by Rowan's wildness and McMillan's wild throw, the final score was 8 to 3.

The pennant raising was held up until today because this date marked the anniversary of the opening of Forbes' Field, the new baseball park. Wagner making four clean singles in the four times he faced the ball was a favorite star of the game.

DAY'S DOINGS IN RALEIGH

Ansonville Depot Again—Crop Prospects Improving—Series of Farmers' Institutes—Other News Notes at the Capital.

(Special Star Correspondence.)

Raleigh, N. C., June 30.—Citizens and contending counsel were here today from Ansonville to argue before the Corporation Commission exceptions that citizens have made to the findings of the Commission supporting the location for the Winston-Salem Southbound Railroad selected by the railroad company and opposed by a large number of citizens. The petitioners are insisting that the location inside the corporate limits is best adapted for the convenience of the people. On the other hand the railroad company and a certain following of citizens insist that the location outside the city selected by the railroad and approved by the commission, is most suitable. The case was heard today by Commissioners McNeill and Brown. R. L. Smith represented the railroad company and J. A. Lockhart the citizens opposing the site chosen by the railroad. Ruling in the case is reserved.

The Elba Manufacturing Co., Charlotte, filed today a charter amendment increasing the capital stock to $500,000 of which $200,000 is preferred and $300,000 common. T. J. Davis is president of the corporation.

United States Marshal Claudius Dockery has just returned from a week's stay at his farm in Richmond county and says that he never saw such rapid development by the cotton and other crops from the damaging effect of the recent prolonged and heavy rain. With fair weather continued now for a season he believes that yields will be little if any short of what was indicated by the crop conditions before the rains did their damage.

The Democratic county convention for Wake, scheduled for Saturday of this week is awaited with very great interest to see just what the temper of the two factions of the party is since the very bitter campaign that came to a close last Saturday with a victory for the "insurgents" except for the nomination of the sheriff on the "regular" ticket.

Five farmers' institute parties are to start out in as many different sections of the State about the middle of July and hold institutes for the farmers and their wives under the direction of Capt. (Special to Charlotte Observer.)

Asheville, June 29.—A deed of conveyance was filed in the office of the register of deed here yesterday afternoon whereby Mr. John A. Roebling, formerly a citizen of Asheville, and now a resident of New Jersey, transfers to the Episcopal missionary district of Asheville 26 acres of land on Biltmore road in Victoria for the consideration of $1. After the prohibition election here in 1907 Mr. Roebling, who was preparing to build a magnificent home on the 26 acres in the fashionable Victoria section, determined to leave Asheville because the town went dry. Later he made a tender of the land to the Presbyterians provided they would establish an institution of learning. The offer was accepted. Later the Episcopalians found that they would be unable to establish either a church or school there and the offer could not be accepted. Several months ago Mr. Roebling informed the officers of the Episcopal missionary district of Asheville that he would be glad to give them the land without any "strings." The offer of course was accepted and the 26 acres, worth probably $50,000 or more, now belongs to the Episcopalians.

Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now ever taste so good, what's changed? The pies? No. It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—Stomach, Liver, Kidneys, Bowels—Try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50c at Robert R. Bellamy's.

COLUMBUS PRIMARY.

No Nomination for Senate Assured—Other News Items.

(Special Star Correspondence.)

Whiteville, N. C., June 30.—In Tuesday's Star a report from some other than the authorized correspondent reported "Greer's nomination for the Senate is practically assured." Five out of 17 precincts that have instructed for the Senate give MacRacken 192, and Greer 183. In Cerro Gordo township C. C. Pridgen, of Mt. Tabor, received three votes for Senator, and in Fair Bluff he received the solid vote of that township, though he has not declared himself a candidate for the office. Numerous rumors are afloat regarding the Senatorial race, the most usual one is that Waccamaw and Chadbourn, not having instructed, and neither Greer nor MacRackan having sufficient votes to nominate, will present at the convention the name of Homer L. Lyon. In Waccamaw, the primary will be contested, some claiming that they have instructed, others that they have not. Godwin seems to have developed unexpected strength in this township, but he will hardly get over 60 per cent of the county. McClammy received three votes in Ransom township. The county is about equally divided between Manning and Allen. Clark men are claiming 18 out of 41 votes for him. The county convention will settle a good deal of the contesting Saturday.

AFFAIRS IN RALEIGH.

Man Charged With Dynamiting Negro Detective—M. E. Orphanage.

(Special Star Correspondence.)

Raleigh, N. C., June 29.—Sheriff G. P. Crutchfield, of Guilford county, was here today to deliver to the States' prison two convicts. George Cardwell, colored, is to serve eight years for dynamiting the dwelling of a negro who was serving Greensboro officials as a detective to spot "blind tigers." He blew out a whole end of the house. No one was hurt. The other convict is John Smith, who gets three years for breaking in a store at Pleasant Garden.

Superintendent J. N. Cole, of the North Carolina Methodist Orphanage here, reports 140 children in the orphanage and highly satisfactory work being done in all departments. Quite a number of the children will be allowed to go home before a great while now to spend a while with relatives. However, the work of the institution goes right on without special abatement during practically the whole Summer instead of any vacation being provided.

Raleigh Council No. 551, Royal Arcanum, held a big banquet last night in celebration of the 33rd anniversary of the formation of the local lodge, which is an especially aggressive one. Hon. J. Bryan Grimes, Secretary of State, was one of the special guests and speakers.

K. C. MEDLIN CAPTURED.

Wanted for Murder of Negro, Taken to Laurinburg, N. C.

(Special Star Correspondence.)

Laurinburg, N. C., June 29.—K. C. Medlin, who is wanter here for the murder of a negro some months ago near the South Carolina line, was captured yesterday in Monroe. Medlin has been living there under the name of Davis. Things had quieted down since the homicide and he began to correspond with his wife who lives in this county. Unfortunately for him, he lost a letter on the streets of Monroe which was found by an officer. The letter was forwarded to Sheriff McLaurin, of this county, and he wired the Monroe officer to arrest the party who lost the letter. The party proved to be Medlin, and he will be brought here tonight and lodged in jail.

BULL FROGS GALORE.

Being Shipped by Wagon Load From Chinquepin, Duplin County.

(Special Star Correspondence.)

Chinquepin, June 29.—This place is rapidly becoming a great bull frog market. Ebon, a man employed by Mr. J. L. Cottle, went out two nights this week and caught so many that it was necessary to get Mr. G. B. D. Parker to send a two-mule wagon load to the railroad this morning and we are now expecting a shipment every day or 30 days. The frogs are very large and seem to be nice and fat. Chinquepin will be noted for these frogs which have been raising for nearly a uarter of a century.

Youthful and Talented.

(Salisbury Post.)

Rev. C. G. Vardell, president of the Southern Presbyterian College at Red Springs, and a near Salisburian, with his son, C. G., Jr., spent Sunday and yesterday in the city and left this morning for Blowing Rock to spend some time. Mr. Vardell is a son-in-law of the late lamented Dr. J. Rumple, for fifty years pastor of the First Presbyterian church here. On last Sunday he eminently filled the pulpit at this church, giving an inspiration to the congregation. His son, though but 16 years old, is a marvel as an organist, heiring from his mother, who was Miss Linda Rumple, a rare musical talent. He showed his proficiency at the pipe organ Sunday, laying for a part of the service.

MISS LAURA O. BROWN DEAD.

For Fourteen Years Postmaster at Tabor, Columbus County.

(Special Star Correspondence.)

Tabor, N. C., June 30.—Miss Laura O. Brown, postmaster at Tabor, N. C., passed away yesterday evening at 2 o'clock. Her friends were legion; her acquaintance was large. She had served in the postoffice 14 years and now enters upon a reward rich in its inheritance above. Friends everywhere will hear of her death with great sorrow.

FROM ROCKY MOUNT.

Township Primary Held—Condition of Crops—Personal Items.

(Sepcial Star Correspondence.)

Rocky Mount, N. C., June 30.—At the township primary held this evening T. J. Armstrong, Wm. A. Brown and H. B. Bloodworth were elected delegates to the county convention to be held at Burgaw tomorrow July 1st. The delegates go uninstructed, a ballot being held for Congressman only. Thomas was in the lead by a considerable majority. It is generally conceded that Allen will carry Pender by a large majority.

The heavy rains yesterday are injuring the cotton and late corn crops Cotton is smaller and condition worse than for several preceding years. Politics are warming up some, though the primary was slimly attended.

Mr. Joe Duncan and family of Savannah, Ga., are visiting his parents, Mr. and Mrs. G. P. Duncan—Mrs. T. S. McManus, of Waldo, Fla., is at Mr. J. B. Armstrong's—Mrs. Charles Bishop and family, of Mexico, are visiting Mrs. Bishop's parents, Mr. and Mrs. Geo. T. Jones—Rev. E. C. Glenn, a noted evangelist, assisted by the pastor, Rev. Chas. M. Lance, is holding an interesting series of meetings at the M. E. Church.

PENDER PRIMARIES.

Thomas Seems to be Leading for Congress—Race for Solicitorship.

(By Long Distance Telephone.)

Burgaw, N. C., June 30.—From returns received tonight from nearly all the precincts in Pender county, Thomas seems to be leading in the primaries held today for Congress. Williams also seems to be leading for solicitor though Caswell, Columbia Holly gave J. T. Bland, Esq., of Pender, an enthusiastic endorsement in the event he becomes available as a candidate. Nothing has been heard from Upper and Lower Topsail but other precincts voted on the Congressional situation about as follows:

Burgaw—Thomas 4, Faison 2, Hood 1, Duffy 1.

Caswell—All for Thomas.

Columbia—Thomas 14, Faison 5.

Upper Union—Hood, 18, Faison 14, Duffy 4, Thomas 2.

Lower Union—Duffy 3.

Holly—Thomas 10, Duffy 8.

It is very generally conceded that the county will be practically solid for Allen for the Associate Justiceship. The convention meets here tomorrow at noon, when the exact strength of all the candidates will be known.

THE BURGAW FIRE.

Loss Pretty Well Covered—Rev. William Black's Meeting.

(Special Star Correspondence.)

Burgaw, N. C., June 30.—It is estimated that the losses in this morning's destructive fire here are pretty well covered by insurance. Messrs. J. M. Myers & Co., carried $6,000 insurance and the stock was valued at between that figure and $8,000. The building, owned by Milton McIntosh, of Wilmington, was valued at $2,500 and is thought to have been well covered.

Rev. William Black on Monday closed a series of very successful evangelistic services here. The services were well attended and 49 applicants for membership in the various churches is the result of his splendid preaching of the Word. Mr. Long, of Charlote, ably led the singing. About $140 was raised for Synodical Home Mission Work, which Mr. Black represents. This meeting with two others recently held have been a great blessing to the community.

Remember.

That the regular interest period of the People's Savings Bank is July 1st. All deposits made on or before July 2nd will receive a full quarter's interest on October 1st. 3t

WOMAN ESCAPES OPERATION

Was Cured by Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."—Mrs. SADIE MULLEN, 2728 N. B. St., Elwood, Ind.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies *are* needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature R. V. Pierce M.D.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine OF KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

Obituary sketches, cards of thanks, communications espousing the cause of a private enterprise or a political candidate, and like matter, will be charged at the rate of 10 cents per line, or if paid cash in advance, a half rate will be allowed. Announcements of fairs, festivals, balls, hops, picnics, society meetings, political meetings, etc., will be charged under same conditions except so much thereof as may be of news value to readers of the paper.

Advertisements discontinued before expiration of contracts are charged transient rates for time actually published. Payment for transient advertisements must be cash in advance. Contract advertisers will not be allowed to exceed their space at same rates or advertise anything foreign to their regular business without extra charge. Advertisements to occupy special place will be charged for according to position desired.

TELEPHONES: Business Office No. 51; Editorial and Local rooms No. 61. Call either if the other doesn't answer.

COMMUNICATIONS, unless they contain important news, or discuss briefly and properly subjects of real interest, are not wanted; and if acceptable in every other way, they will be invariably rejected unless the real name of the author accompanies the same, not necessarily for publication but as a guarantee of good faith.

Friday, July 1st, 1910.

The Federal Government goes right on centralizing itself, Constitution or no Constitution. Many men who imagine they are Jeffersonians get caught in a Hamiltonian net as easily as a school of shrimps.

Senator Overman was in Raleigh on Wednesday and the News and Observer says the Senator "sees a victory for democracy." Let us devoutedly hope so. We are tired seeing sights.

The esteemed and superior North Carolina tomato, with its unrivalled flavor and great size, has chased out the tasteless little apologies that some States have a mistaken idea that they can pass off for the real article.

The Richmond Times-Dispatch says: "Several locusts with 'W' on their wings have been sent to the Times-Dispatch during the last two weeks." Why, man, they are Wilmington boosters. Can't you observe what that W stands for?

The bills passed by Congress may or may not be all right but there may be some in the pigeonholes better than those which were passed after they had been improved by the Democrats and insurgents. We should like to take a peep into the pigeonholes.

The Hon. H. H. Rumble, of the Norfolk bar, was nominated for Congress by the Republicans of the Norfolk District on Wednesday last. No doubt the Virginia Democrats will see to it that no Republican shall be sent to Washington merely to make a noise.

The Star vouches for the fact that a clever advertisement makes friends and is really a piece of desirable information for people who are ever anxious to know where they can get suitable articles at the right prices. An advertisement is business news that appeals to everybody.

The "universally popular" man wins popularity by being all things to all men. He wins his popularity very often by keeping his mouth shut when he ought to speak out, and by not doing things when he ought to do them. The man who says things and does things cannot be "universally popular."

Senator Boies Penrose is the Republican boss of Pennsylvania, but he has brought out so many bad men for office that some of the most influential Republican newspapers have served notice on him that they will not support his nominees. What does Penrose care so long as he knows that Pennsylvania voters go wrong from the force of habit?

We are satisfied that the Columbia State is chuckling to itself in great glee because it threw out that "fried chicken" bait for the press to nibble at. The newspapers North and South, far and wide, bit right along, and great is the publicity for Columbia. We know the State will get mad with the Star for giving it away, but, of course, if the State's editor were to come to Wilmington to enjoy the delights of the South's greatest seaside resort we will see that he shall have a nice time.

The Columbia State, in a moment of folly, put its foot in it by editorially slandering the South's toothsome and delicious fried chicken, but the worst of it is that the Jacksonville Times Union, with its depraved taste, had to add to the disturbance by flippantly exclaiming: "Bah! Give us gopher gumbo and you can have all the chicken, fried or otherwise." It is strange how little these South Carolina and Florida editors know about the delicacies that appeal to an enlightened epicurean.

UNCLE JOE'S SOPHISTRY.

Speaker Cannon has the unmitigated effrontery to attempt to make the Democrats responsible for the extravagance of the 61st Congress which adourned a few days ago, with a billion dollar score charged up against it. Uncle Joe ought to know that if the little old Democratic minority has gotten away with the country's money, the people surely will put the blame on the Republican majority for permitting it to be done. The people have horse sense enough to know that if the Republican majority let the Democratic minority raid the Treasury it would indicate that the Republican majority is incompetent, unfaithful and not on its job.

Concerning the billion dollars appropriations and Democratic charges of extravagance, Speaker Cannon remarked: "The Democrats have talked about economy, but they have helped to enlarge every appropriation, and there are bills introduced by Democrats and not acted on which would call for $500,000,000 additional expenditure. So I take it their talk of economy is Pickwickian."

Speaker Cannon knows very well that the majority party is not only responsible for legislation but for the financial management of the country. The fact is when the House recently revised the rules and cut down the power of the Speaker, Uncle Joe, while the matter was under discussion, endeavored to forestall that action by reminding the Republicans that they were "wholly responsible or legislation" and that it would be unsafe to relax their control of the House. The Speaker is well aware that if bills appropriating two billion dollars instead of one billion has been offered they could not have been adopted save for the Republican majority. Therefore, if the appropriations amounted to two billion dollars it would have been the funeral of the Republicans and not of the Democrats. Everybody knows that not a single appropriation secured by a Democratic Senator or Representative could have passed unless it had been approved by Republican committees and finally passed by the Republican majority in the House and Senate.

At the close of the session of Congress last Saturday, Senator Shiveley (Dem.), of Indiana, declared in an impressive speech that "Forces that have broken from control are making the national government a riot of profligacy and waste." According to Representative Livingston, of Georgia, the expenditures authorized at the regular session of the Sixty-first Congress aggregated $1,096,952,051, or about fifteen million more than the appropriations made at the last session of the Sixtieth Congress.

The Republicans denounced the extravagance of the Cleveland administration 17 years ago, but during the first fiscal year of the Democratic administration the appropriation by Congress was $450,925,178. Thus the Taft administration goes before the country with appropriations more than double those of the Cleveland administration. Even admitting the statement of Representative Tawney (Rep.), in disputing some of Mr. Livingston's figures, the Cleveland appropriation has been doubled by the Taft Congress. The Baltimore Sun clinches the whole business in this way:

"The Republican party is committed to a policy of extravagance. It is dominated by forces to which the mere idea of economy is abhorrent. But if, as Senator Aldrich said, a business-like administration of the national government could reduce expenditures to the extent of $300,000,000 a year, the people will not be satisfied until they have such an administration. The present administration has made no progress in the direction of economy. What has been saved in some quarters has been squandered in others. President Taft's intentions may be good, but in the matter of appropriations, as in the matter of the tariff, he has yielded to the influences which dominate the party. On Saturday the President signed the River and Harbor Appropriation bill, but in a special message to Congress he asserted that the total of the bill, $52,000,000 is "unduly large." The same condemnation applies justly to many of the appropriation bills passed by Congress. Wise and necessary provisions are associated in the same measure with log-rolling schemes and unnecessary and extravagant projects. There will be no economy in expenditure unless and until the executive and legislative branches of the government co-operate n the reduction of expenditures. Public opinion demands that there be an nd of wasteful and ruinous extravaance and burdensome taxation."

Speaker Cannon, as able as he is, annot fool many people with his enavor to make the Democrats share the responsibility for extravagance. The Republican party is responsible for everything—even for the insurency of Republicans who are sick of their party's policy and record.

Probably what Roosevelt thought but didn't say to Taft at their conference ysterday is more like being worth a dollar a word than some of his productions in The Outlook.

It affords us Democrats great pleasure to get gloomy over the great ruin which the Republican party is bound to bring upon the country by its billion dollar extravagance.

The Democratic party wants a tariff that will produce all the revenues that are necessary and which will take the burden off the people without doing injustice or injury to any American interest.

DEATH OF SENATOR DANIEL.

Not Virginia but the South sustains a great loss in the death of United States Senator John W. Daniel, at his home in Lynchburg, Va., on Wednesday night. Senator Daniel had been a sufferer from paralysis for several months and long ago it was realized that death was only a matter of time, yet the passing of such a man will not only bring grief to his native Virginia but to the entire South which had a claim upon his statesmanship.

Senator Daniel was a most gifted and able man and early in life a brilliant career was assured for him by his lofty character, splendid mental qualities, marked oratorical gifts and magnificent capabilities. When he was quite a young man the State of Virginia recognized in him the elements of statesmanship and his State honored him in more than one way during a most honorable political career of thirty years. He had a wonderful hold upon his State and was truly her favorite son, and, indeed, a faithful one he was to the grand old commonwealth which gave him birth and so loved to honor him.

Most of Senator Daniel's political career has been in the United States Senate and it was a proper forum for one so well equipped as the distinguished Virginian. He was early marked as a strong man and he so progressed in statesmanship that he made his impress upon the Nation. He won a National reputation by sheer force of ability and the grandeur of his career and the high honor paid to him throughout that unblemished career is the proud heritage of Virginia and none the less of North Carolina and the entire South.

The chivalric soldier and courtly Southern statesman has passed from a useful life, during which he was eminently conspicuous in State and Nation, honored alike for his unimpeachable integrity, his great patriotism, and a statesmanship that was lofty and wholesome for his country.

GREAT SOUTHERN PAPER.

The Nashville American, which has always been conspicuous in Southern journalism, celebrated the 98th anniversary of its existence last Sunday by getting out a mammoth issue containing 180 pages. A copy of this splendid edition came to the Star, and in every respect it is a most thorough and complete newspaper of the modern type. It contained a summarized history of Tennessee and in a most comprehensive manner exploited the resources of our Sister State, devoting elaborate attention to her achievements in agriculture, industry, manufacturing, education, religion, politics, war, etc. In fact, the features are so varied and extensive that it is impossible to enumerate them. It was altogether a splendid newspaper feat, and is strong evidence of the conspicuous ability and marvelous enterprise that now marks the management and conduct of the American.

The American is now owned by Milton B. Ochs, one of three brothers remarkable for their newspaper genius and enterprise. The Nashville Ochs is the youngest of the three but he is making the honors easy between himself and his distinguished brothers—Adolph Ochs, who has made the New York Times a great American newspaper, and George Ochs, who has achieved phenominal success with the Philadelphia Public Ledger. Besides the Nashville American, Milton B. Ochs also owns the Chattanooga Times, one of the South's greatest and most successful papers and which has many years been one of the Star's most highly valued exchanges.

The Georgia Jokesmith is now getting busy with the Georgia Hoaxsmith.

A great many political lobsters can be caught hanging around Oyster Bay this Summer.

Senator Gore is blind but keeps his eye on hangers-on at Washington who try to lead him in the wrong direction.

In order to look out for himself the pedestrian can do two things—stay at home with his wife or else wear a headlight when he is out.

The richer a man grows the more he becomes satisfied that the Republican party is looking out for his interests while everybody else is after his money.

Col. Roosevelt does a little talking right along but it can be noticed that he is not giving away any of those words that are supposed to be worth a dollar a piece.

They have been fighting us with everything, but as they see they can't down us they are trying to make us believe that they have got the "hooks" in us at last.

CURRENT COMMENT.

John A. Smith, in the last campaign, stated that if Taft was elected, the mills would continue running on full time and prosperity would regn supreme. Inside of sixty days after he had made the assertion his mill had busted, and the mills of a few of his supporters had closed down. So much, then, for Republican promises.—Lincolnton News.

An item in the State news column in reference to the establishment of a wireless telegraph station on Battery Park Hotel, in Asheville, is interesting. Several weeks ago The Chronicle carried a story relative to the establishment of wireless stations in North Carolina and this seems to be the beginning of the project. It seems that in the Asheville contract Charlotte is included as one of the stations. As we understand it, Raleigh and Wilmington will be included along with Beaufort. This is the project of the Continental Wireless Telegraph and Telephone Company, a company that has a good rating. Further details of the project will be eagerly awaited, for the coming of the commercial wireless is an event of more than ordinary importance.—Charlotte Chronicle.

Yesterday's paper announced that Mr. J. A. Russell, clerk of the Superior Court, had withdrawn from the contest giving that office to Mr. C. C. Moore. In the recent primary, Mr. Moore received the largest number of votes, but did not get a sufficient number to give him the nomination, so a second primary was called and was to have been held tomorrow. Mr. Russell's withdrawal made the holding of this primary unnecessary. It was a very graceful act on the part of the present clerk of the court. The question as to whether he stood a chance of winning does not enter into the matter. He saved the county the excitement and trouble incident to another election and voluntarily tendered the office to Mr. Moore—in other words, he cast the deciding vote for Moore. It is proper to say in this connection that no official ever retired from the court house with a better record than Clerk Russell. Capable and thoroughly efficient, he was always agreeable in conduct and obliging in disposition, and he retires with the good will of all.—Charlotte Chronicle.

Diaz, the veteran President and dictator of Mexico, has been re-elected to the Chief Magistracy. Any other result of the election would have been astounding. There is a reform party in Mexico, but it meets with many discouragements in its efforts to establish a more liberal government. The election of President and Senators and Deputies in the national Congress was held on Sunday. About a thousand of the political workers of the anti-Diaz party were arrested the day before and sent to prison. This demoralized the opposition, although the reformers succeeded in polling a considerable vote. In the political lexicon of Diaz there is no such word as failure. If it were necessary the Mexican dictator would probably not hesitate to arrest the majority of the reform voters to prevent an adverse verdict at the polls. American political bosses used to be famous for their skill and unscrupulousness in thwarting the will of the majority. But Diaz's methods suffer naught by comparison with those of the old-time bosses in the United States. The Mexican dictator gets results every time and reform anguishes in the Mexican Republic.—Baltimore Sun.

The contract by the Carolina, Clinchfield & Ohio Railroad for the building of a good road from Altapass, the top of its line, to Linville Falls and thence to Linville City, is a fine move. The Charlotte people who are developing Little Switzerand, at Mount Mitchell, in the immediate neighborhood of Altapass, are also building fine roads to Linille and when this road work is completed, with the road from Mount Mitchell to Black Mountain, the whole of the western part of North Carolina will be opened to automobile traffic. All of it west of Linille City will be new territory. It will be possible to go from Charlotte by automobile to all points between here and Linville, thence to Little Switzerand and on to Black Mountain and Asheville, with the greatest ease and comfort. The opening of these automobile highways is second in importance only to the building of railroads. The opening up of the mountain section of North Carolina is now well under way. By the close of the present summer, its remoteness and inaccessibility will be things of the past. It is a great work, not only for the mountains but for the people of the whole country, and The Chronicle rejoices in it.—Charlotte Chronicle.

The decision of the Interstate Commerce Commission in the Portland back-haul case possesses a great and obvious interest for North Carolina. It was decided by the commission that the transcontinental railroads' practice of fighting water competition with low rates to Pacific points and making interior points pay the local rate plus the local rate between had been carried entirely too far. Substantial reductions, by which Spokane, Wash., and other interior cities will profit, were ordered. We very much hope that the new "commerce court," to which appeals from the commission now lie, will let this order stand. For North Carolina points the case is much stronger than for Spokane. It is not sound public policy that the railroads should throttle water competition at the expense of regions which cannot help themselves, but this is at ease a question of public propriety which can be argued pro and con. The iscrimination against North Carolina, on the other hand, is for the most part ntirely artificial. Railroads make North Carolina points pay back-haul ates simply that they may be exploited. Wilmington and Fayetteville fare hard, while Charlotte pays the rate through its station gates to mountain irginia plus the rate from there back. If Spokane can obtain relief, hope need certainly not be abandoned by North Carolina.—Charlotte Observer.

It will be found that all the Taft measures are makeshifts. The Republicans pledged postal savings banks only as an offset to Bryan's government guarantee of deposits. It passed the corporation tax because it was the only way it could defeat the Democratic income tax. The men of the Aldrich type were induced to vote for the postal savings banks only after an agreement was reached to permit the withdrawal of the money from the local banks to be invested in bonds. This is a step toward the Central Bank in which the postal savings bank will be the instrument to draw the money to the centres and enables the big New York banks to run a money trust. As to the corporation tax, it was accepted only to ward off the income tax and its legality is being contested, and the Aldriches and Cannons think it can be shortly repealed. When the much advertised Roosevelt rate bill became a law we were assured that discriminations would cease. Has that law done any good? Now Mr. Taft has his railroad bill and railroads are increasing rates. Does anybody really expect the Taft bills to do any good to the shipper and consumer? Would the railroad magnates have agreed to the act if they had not seen enough loop-holes through which they could drive a four-horse wagon? The only test is trial, but the man who expects these much praised bills to really be of value to the people will be doomed to disappointment.—Raleigh News and Observer.

Sat Down On Col McLean.

Lumberton, June 29.—"Squire" D. B. McLaughlin, of Red Springs, as he is generally known among his friends here, and who has the happy distinction of furnishing to the Southern Presbyterian Church three ministers, celebrated his 74th birthday. The Squire had invited about eighteen of his friends, including his pastor and wife, Rev. and Mrs. V. R. Gaston, to share his hospitality. Squire McLaughlin is a typical Southern Scotch Democrat; he boasts loudly of the fact that he is a most loyal and devoted follower of both Calvin and Jefferson, whom he considers the two greatest reformers, religious and political, the world has ever produced. Squire McLaughlin has always taken a very active part in the political affairs of Robeson county, and bears the distinction of being the only man in "the State of Robeson" who ever sat down on Col. N. A. McLean, of Lumberton. This he did through a mistake once while a visitor at the home of Colonel McLean's father, the Colonel himself being at that time an infant of only a few months.

LAWYERS CLOSE SESSIONS

Trip Down Historic Cape Fear River With Visit to Fort Caswell and Dance Last Night Features of Last Day.

A trip down the historic Cape Fear river during the day on the handsome steamer Wilmington, embracing a stop at and an inspection of Fort Caswell, where the party was cordially received by the officers in charge, and a brilliant and elaborate dance last night at Lumina, North Carolina's pleasure palace, were the features of the last day of the 12th annual convention of the North Carolina Bar Association, in session at Seashore Hotel, Wrightsville Beach, since Tuesday evening.

Just preceding the dance a brief session of the association was held at the Seashore Hotel last night at which the memory of the members who passed away during the year was honored by the adoption of suitable resolutions.

Early yesterday morning some 200 lawyers and members of their families boarded special suburban cars in front of the Seashore Hotel, Wrightsville Beach, and came to Wilmington, proceding immediately to the wharf of the steamer Wilmington at the foot of Market street. The steamer pulled away from her dock at 10 o'clock, bound for Fort Caswell, arriving there about noon. The party was received in a most cordial manner by the officers in charge of the government fortifications and were escorted over the reservation by a detail of soldiers. The visit and inspection of one of the most modern forts on the Atlantic coast proved not only interesting but instructive to the members of the party. The boat returned to the city about 5 o'clock and the party went directly to Seashore Hotel, Wrightsville Beach, for supper. An elegant luncheon was served on board the steamer Wilmington by ladies of the North Carolina Sorosis, and there were refreshments in abundance. The river trip was one of the most thoroughly delightful features of the annual meeting of the lawyers.

Last night a brief session of the association was held in the assembly hall of the Seashore Hotel for the purpose of honoring the memory of the several members who passed to the beyond during the year. Col. N. A. McLean, of Lumberton, was chairman of the committee on memorials. Suitable resolutions were adopted as to the following who have died during the year: J. C. Shepherd, Raleigh; ex-Chief Justice North Carolina Supreme Court; James C. MacRae, Chapel Hill, ex-Associate Justice Supreme Court, and at the time of his death dean of the law school of the University of North Carolina; T. B. Womack, Raleigh, ex-judge Superior Court; W. L. Norwood, Waynesville, ex-judge Superior Court; Chas. N. Busbee, Raleigh, ex-president North Carolina Bar Association; Hon. W. W. Clark, Newbern, M. D. W. Stevenson, Newbern; St. Leo Schull, Windsor; J. L. Fleming, Greenville, ex-State Senator. The convention then adjourned sine die.

The Tidewater Power Company entertained the visitors last night at a brilliant dance at Lumina. It was a Flag Dance and the pavilion was attractively and appropriately decorated. It rained on the beach until about 9 o'clock and up to that hour very few left the hotels, but when the rain ceased everybody moved toward Lumina. Not only was the dance well attended by the visiting lawyers and members of their families and other beach visitors and residents, but hundreds went down from the city. The crowd made merry at the famous pleasure resort until a late hour last night.

The visitors for the lawyers' convention will begin leaving for their homes today, but many will remain at the seashore for several days yet, and some will spend a week or ten days longer at the famous resort.

WILL BECOME A MISSIONARY.

Miss Ida Hankins to Enter Training School in Short Time.

Miss Ida Hankins, for a number of years a member of, and active worker in Grace Methodist Church, especially among the young people, has announced her intention to become a foreign missionary, and will enter a training school in a short time to prepare herself more thoroughly for the work, which will be in Korea. She will be the only member of Grace Church engaged in foreign missionary work. The following paragraph is taken from a news story which appeared recently in the Raleigh Evening Times, relative to a conference at Hertford of Epworth League societies:

"On Saturday morning three department meetings were held. The address of the missionary department was made by Rev. F. S. Love, of Morehead City, the round-table conference being conducted by Miss Ida Hankins, of Wilmington, fourth vice president. One of the most impressive and affecting scenes came at the close of this round-table discussion, when Miss Hankins announced her resignation as vice president of this department, as she expects to go out soon to Korea as a missionary. She is one of the brightest and most charming young women in the conference and will be greatly missed in the Epworth League work of the State."

Reported Hold Up Last Night.

It was stated last night, too late for confirmation, however, that one of the Messrs. Solomons, returning from Wrightsville Beach on the 10:30 suburban car, was approached by a negro while waiting for a belt line car at Ninth and Princess streets, the object being robbery. It was stated that when the negro ordered Mr. Solomon to hold up his hands the latter instead of complying with the request, ran his right hand in his hip pocket quick as a flash and threatened to send the would-be robber to the "happy hunting grounds" if he approached another step. The negro had no means of knowing that it was a bluff pure and simple and sped away at a lively rate.

STATE OSTEPATHIC SOCIETY

Programme Arranged for the Annual Meeting to be Held at Seashore Hotel, Wrightsville Beach, Next Week.

Dr. J. W. Blackmer, of this city, vice president of the North Carolina Osteopathic Society, has announced the programme for the mid-Summer session of the fraternity to be held at the Seashore Hotel, Wrightsville Beach, Saturday, July 9th. The delegates will, of course, remain at the sea shore over Sunday, July 10th, and some will probably stay longer. A majority of the prominent osteopaths of the State are expected to be in attendance.

The meeting will be called to order at 11 A. M., and after prayer by Rev. W. E. Cox, rector of St. John's Episcopal Church, Mayor Walter G. MacRae will be introduced and he will deliver the address of welcome in behalf of the city and the beach. The response will be made by Dr. Ray, a prominent osteopath of Charlotte. This will be followed by remarks by the president, Dr. M. J. Carson, of Rocky Mount, after which Dr. Laughlin will be introduced and will deliver an address. The morning will conclude with "Open Parliament on Chronic Diseases," Dr. Meacham, chairman; "Open Parliament on Acute Diseases," Dr. A. R. Tucker, chairman.

The following is the programme for the afternoon session: "Open Discussion of Diseases of Women," Dr. S. W. Tucker, chairman; "Technique, Paper and Demonstration," Dr. H. W. Glascock; "Clinics—Orthopedic and Nervous," Dr. Laughlin. This will be followed by a short business session, after which the convention will adjourn sine die. In the evening the visitors will be entertained at a banquet at the Seashore Hotel. Dr. A. H. Zealy, of Goldsboro, is secretary and treasurer of the society.

THE RECORDER'S COURT.

Negro Sentenced to 12 Months on Roads for Larceny.

In the Recorder's court yesterday morning Sam Hall, colored, was given a hearing on the charge of stealing a bale of hay from Mr. E. P. Bailey, on Ann street, Wednesday in broad open daylight. It was charged that the negro went to Mr. Bailey's barn and rolled the hay away in a wheelbarrow. He was found guilty and sentenced to 12 months on the roads. It will be recalled that Hall only recently completed a sentence of eight months for the larceny of a watch from J. H. Whiteman, colored.

Isaiah Donaldson, colored, was found guilty of an assault with deadly weapon on Annie Graddy, colored, and sentenced to three months on the roads. The offense is alleged to have been committed in March but officers were unable to locate Donaldson until Wednesday night. The case against John Williams, colored, charged with stripping an automobile of brass, was continued until today at the request of Geo. L. Peschau, Esq., counsel for the defendant.

A case against P. C. Farrow, a near-beer dealer, charged with violating certain provisions of the near-beer ordinance, was dismissed. It was charged that he did not have his place properly lighted and also that the view from the street was obstructed. It appears from the evidence that the light was burning, but that the obstruction prevented the light from being seen from the street. The obstruction will probably be removed so as to conform with the ordinance in this respect.

CONCERT ON PIER TODAY.

First of the Season on Seashore Hotel Pier This Afternoon.

The first concert of the season in the pavilion on the new steel pier of the Seashore Hotel, at Wrightsville Beach, will be given this afternoon at 5 o'clock by Kneisel's orchestra. The pavilion was completed this week and the many beach visitors and persons from the city are invited by the hotel management to attend the concerts which will be given on the pier at stated times throughout the season.

The pier is proving one of the most delightful and attractive features of the beach. An interesting musical programme has been arranged for the initial concert this afternoon.

"Othello" at Bijou.

"Othello," the Moor of Venice, Shakespeare's tragedy, the scenes for which were taken in Venice, will be shown at the Bijou theatre today as the feature picture. The film makers say: "Ambitious indeed was the idea to reconstruct in motion pictures a tragedy so renowned in literature as the present—but one will have to see the film to judge whether or not our ambition was beyond our ability to accomplish that at which we aimed." Another picture of interest at the Bijou today is "The Love Romance of the Girl Spy."

Mr. Bluethenthal Not Poisoned.

The news item sent out from Springfield, Mass., Wednesday night regarding a reputed wholesale poisoning at Williams College, Williamston, was erroneous as to Mr. Herbert Bluethenthal, of Wilmington, being among the victims. Mr. Bluethenthal arrived in Wilmington last Friday a week ago today, to spend his vacation with his parents, Mr. and Mrs. L. Bluethenthal, and when he left the institution the "poisoning" had not occurred. The many Wilmington friends of Mr. Bluethenthal will be glad to learn that the correspondent was mistaken in placing his name among the poisoned.

"Foley Kidney Pills Have Cured Me".

The above is a quotation from a letter written by H. M. Winkler, Evanville, Ind. "I contracted a severe case of kidney trouble. My back gave out and pained me. I seemed to have lost all strength and ambition; was bothered with dizzy spells, my head would swim and specks float before my eyes. I took Foley Kidney Pills regularly and am now perfectly well and feel like a new man. Foley Kidney Pills have cured me."—Robt. R. Bellamy.

THIRD DAY OF THE "RETREAT"

Another Pleasant and Profitable Day for Episcopal Clergymen—Excellent Papers Read and Discussions.

The third day of the "Bishop's Retreat," in progress at Wrightsville Beach since Tuesday, was interesting and profitable to the large number of Episcopal clergymen of the East Carolina Diocese in attendance. The list of clergymen was augmented yesterday by the arrival of Rev. Chas. Noyes Tyndell, of Fayetteville.

The day began with the celebration of the Holy Communion in the beach chapel at 7:45 A. M. by Rev. R. R. Drane, D. D., of Edenton, assisted by Rev. E. L. Malone, of Belhaven. This was followed at 9:45 A. M. with the regular exercises. Rev. N. C. Duncan, of Hope Mills, read an excellent paper on "Reformation Under Henry VIII to Death of Thomas Cromwell." It was a clear statement of the situation and showed a comprehensive grasp of the complicated circumstances of that time. Following this Rev. Dr. Wm. H. Milton, rector of St. James' Church, this city, read a splendid paper on the political aspect of the Reformation Under Henry VIII to the death of Cromwell. It showed the research, scholarly information and the general ability for which Dr. Milton is noted. The various points mentioned in these papers were generally discussed pro and con.

After a short recess, the remainder of the morning was spent in the discussion of the practical working of the budget system of the Diocean Support, recently adopted by the Council. All seemed thoroughly pleased with the new system and expressed their willingness to use their best efforts in making it a real success.

Today and tomorrow there will be an early service at 7:45 A. M. and regular exercises at 9:45 o'clock as usual.

The services on Sunday will be as follows: Celebration of the Holy Communion at 8 A. M.; evening service with sermon at 8 P. M. at the beach chapel. The clergymen will be privileged to attend any service they desire at 11 A. M. Sunday as there will not be any service at the beach chapel at that hour. The early morning service and the evening service are both public services and the residents and visitors on the beach are cordially invited to attend.

CONVENTION TOMORROW.

Marsden Bellamy, Esq., May be Named as the Chairman.

The probabilities are that Marsden Bellamy, Esq., delegate from the Third Ward, will be elected chairman of the county convention tomorrow at noon, called for the purpose of selecting delegates to the State, Congressional and Judicial conventions. The delegates to these conventions will be named by the chairman. Precinct meetings were held throughout the county last Saturday at which delegates, 83 in number, were named to the county convention. The convention will stand solidly for Herbert McClammy, Esq., of this city, for Congress, every delegate being a staunch McClammy supporter, but there is a division as to candidates for solicitor and candidates for the Associate Justiceship. The delegates are also decided as to candidates for other State offices.

A WORD FROM TENNESSEE.

The Name and the Fame of Wrightsville Beach—Col. Robertson.

That this old world is not so large after all comes home to all of us sooner or later. The Star takes the liberty of reproducing the following extract from a private letter recently received from Col. Wm. F. Robertson, so pleasantly remembered here as a former valued resident, now vice president of the Municipal Engineering & Construction Co., of Chattanooga, Tenn. Illustrative of the text above quoted, Col. Robertson says:

"I had an idea that I was getting a long ways from good old Wilmington when I came to the Tennessee mountains, but the distance is mightily abbreviated when I read the posters on Chattanooga streets telling of the glories of Wrightsville Beach, and offering ten day round trip tickets for $12. Then when I see energetic W. F. Penny rushing in and out of the big office building, shedding Tarrymoore Hotel dope at every step, the hope of often seeing the good friends down by the sea looms large and cheerful."

The Work of a Fiend.

The poisoning of dogs is pretty generally reported from several sections of the city and the poisoners have become so bold in their operations, evidently, that the dose does not always go to the stray cur for whom it is doubtless intended. Mr. G. Ford Hewlett, who lives on Seventh, between Chesnut and Grace streets, yesterday lost, presumably by poisoning, one of the prettiest and most amiable collies ever seen in Wilmington. The animal was the pet of the household as well as the admiration of everyone who saw it, and the person who "put out" the poison for such an animal deserves no less punishment than that which befel the poor, unfortunate creature that fell a victim.

Decrease in Number of Arrests.

The police blotter at police headquarters at 12 o'clock last night showed that 79 arrests were made during the month of June, which is fewer than for any month recently. Something like half the number were arrested for drunkenness. During the month of May there were 95 arrests and in April there were 140.

Secured Large Contract.

Mr. D. E. Harllee, a popular and well known building material broker with headquarters in Charlotte, spent the past several days in the city and has secured the contract for the hardwood and parquetry flooring for the handsome home which Mr. George Rountree, of the Wilmington bar, is building in Carolina Heights.

FORMAL OPENING OF PIER

Concert Will be Given "Off" Seashore Hotel, Wrightsville Beach, This Evening, by Choral Society.

The handsome steel pier projecting out in the ocean from Seashore Hotel, Wrightsville Beach, will be formally opened this evening with what promises to be a most delightful concert by the Choral Society of Wilmington, which has among its members some of the most talented and capable musicians of the State, assisted by a charming soloist now a visitor on the beach, two members of the Lumina Orchestra and the Seashore Hotel Orchestra. The music lovers on the beach and in the city have a rare treat in store for them this evening.

The concert will be given in the pavilion on the ocean end of the pier, some 700 feet from the hotel, and will begin promptly upon the arrival of the suburban car that leaves the city at 8 o'clock. Sixteen members of the Choral Society will take part in the programme. They are: Mrs. Cameron F. MacRae, Mrs. Joseph D. Edwards, Mrs. Joseph W. Yates, Mrs. James D. Smith, Mrs. Greene Fenley, Mrs. Robert C. Merritt, Miss Lucy McIntosh, Miss Agnes Chasten, Messrs. H. R. Bates, A. S. Holden, W. B. Muse, W. A. McGirt, Albert Dosher, James Owen Reilly, Joseph B. Fenley and Greene Fenley. Mrs. H. E. O'Keef will be the accompanist.

The programme will include: Selection by the Seashore Hotel Orchestra; chorus, "Stars of the Summer Night," (Smart), by members of Choral Society; male quartette, "Spin, Spin," (Jungst); solo by soloist visiting on the beach; mixed quartette "Dreams" (Strelezki); ladies' double quartette, The Spinning Chorus from "Flying Dutchman," (Wagner); two numbers by members of the Lumina Orchestra, and "Recessional" (Kipling), by the chorus.

The arrangements for the musicale have been made by Mr. Edgar L. Hinton, manager of the Seashore Hotel, and Mr. E. H. Munson, director of the Choral Society. Manager Hinton has kindly offered to give a portion of the proceeds from the concert to the Choral Society, which, by the way, is much in need of funds to liquidate obligations incurred on account of the Music Festival given a few weeks ago. It is believed that the amount of the indebtedness will be considerably reduced by the concert this evening, for the indications are that the pier will be crowded to its capacity by beach visitors and townspeople.

The pier is said to be the only one of the kind south of Atlantic City and is certainly a decided addition to the attractions at Wrightsville Beach. The pier has been illuminated every evening this week and its beauty nas been commented upon by nearly all the visitors to the Seashore Hotel. Many people of the city have not seen the pier in all its brilliancy and they will take advantage of the opportunity offered tonight not only to enjoy the refreshing breeze on the structure, but to hear what promises to be a concert of an unusual high order. The admission to the concert will be only 25 cents.

FUNERAL OF MRS. FLEET

Services From Fifth Street Church Yesterday Afternoon.

The funeral of Mrs. Sarah Caroline Fleet, mother of Mrs. Edgar D. Williams and Mr. J. W. Fleet, whose death occurred Tuesday night, was held from Fifth Street Methodist church at 4 o'clock yesterday afternoon, conducted by Rev. K. D. Holmes, the pastor, in the presence of a large concourse of sorrowing relatives and sympathizing friends. Among the many beautiful floral designs was one sent by the Ladies' Aid Society of the church of which Mrs. Fleet was an active member for many years. The interment was in Oakdale cemetery. The pallbearers were: Honorary, Messrs. J. W. Craig, A. M. Sholar, Sr., W. H. Hardy, James T. Riley; active, Chas. R. Davis, A. M. Sholar, Jr., J. H. LeGwin, B. F. King, Jr., Alex. Sholar and John T. Sholar.

Mr. W. P. Emerson Promoted.

Mr. William P. Emerson has been promoted to the position of Commercial Agent of the Atlantic Coast Line with headquarters at Cincinnati, Ohio, and will leave Sunday evening to take up his new duties. While regretting his departure from Wilmington, his many friends are glad to learn of his deserved promotion and wish for him a full measure of success in his new position.

Happy, Happy, Use TIZ

A Marvel For Sore Feet. Acts Right Off.

Sore Feet? Never After Using TIZ—

Good-bye sore feet, aching feet, swollen feet, sweaty feet, smelling feet, tired feet.

Good-bye corns, callouses and bunions and raw spots.

You've never tried anything like TIZ before for your feet. It is different from anything ever before sold.

It acts at once and makes the feet feel remarkably fresh and sore-proof.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

If you don't find all this true after trying a box of TIZ, you can get your money right back.

TIZ is for sale at all druggists at 25 cents per box, or it will be sent you direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.

ARCHITECTS OF THE STATE

Fourth Annual Meeting Convenes This Afternoon and Continues Through Monday—Delegates Are Arriving.

Representative architects began arriving yesterday from various sections of the State for the fourth annual meeting of the North Carolina Architectural Association, which convenes in the assembly hall of the Seashore Hotel, Wrightsville Beach, this afternoon and continues in session through Monday of next week. It is thought probable that there will be a hundred or more visitors here for the meeting.

An outline of the programme was given in The Star several days ago. Two sessions will be held Saturday, one in the morning and the other in the afternoon, and in the evening the visitors will be entertained at a smoker given in their honor at the hotel. The annual election of officers will occur Saturday. Sessions will also be held Monday if the business is not concluded tomorrow. Some of the visitors will enjoy deep sea fishing Monday. It is probable that the visitors will be taken for a trip down the Cape Fear river on the steamer Wilmington during their sojourn here.

As stated in The Star a few days ago, the architects will have a fine art exhibit consisting of water color work, sketches and photographs of buildings erected by them. The architects have had several exhibits in connection with their meetings, but this one promises to be the most complete in the history of the organization. There will also be a manufacturers' exhibit of building materials of various kinds. Both exhibits will be open to the public and will be inspected with interest.

Mr. Joseph F. Leitner, of this city, president for the past two terms, will preside over the sessions of the body. Mr. Frank K. Thompson, of Raleigh, is vice president, and Mr. Franklin Gordon, of Charlotte, is secretary and treasurer. These with Mr. William H. Lord, of Asheville, and Oliver D. Wheeler, of Charlotte, compose the executive committee.

In addition to the North Carolina architects and members of their families and representatives of manufacturing concerns, it is expected that there will be in attendance architects from South Carolina, Georgia, Florida, and Virginia.

LIEUT. COL. ORRELL.

Transferred From Ordnance to Commissary Department for Camp.

(Special Star Telegram.)

Raleigh, N. C., June 30.—Lieutenant Colonel T. R. Orrell, of Wilmington, is, by order of Governor Kitchin, commander-in-chief of the North Carolina National Guard, transferred from the ordnance department to the commissary department and designated one of the officers for the rifle range during the regimental encampment at Morehead.

New York, June 30.—The Abernethy boys, Louis and Temple, who rode from Oklahoma to New York on horseback, to be there at the welcome to Col. Roosevelt, will start back next Wednesday by automobile. The brothers will pilot the way in a runabout, and their father will follow in a larger car. The party intends to bivuac by the roadside wherever night-fall finds them.

PLAYERS GAVE BENEFIT.

Powers' Day Celebration Attended by 12,000 in Philadelphia.

Philadelphia, June 30.—Twelve thousand spectators attended the "Powers' Day" celebration at Shibe Park, where the memory of the dead player was commemorated by a benefit for his widow and children.

Players from the Boston, New York, Washington and Philadelphia American League teams participated in the various events.

Lord, of Boston, won the first event beating a bunt to first in 3 1-5 seconds. Collins, Rath and Baker of the local team; Speaker, of Boston, and Chase, of New York, tied for second at 3 2-5 seconds. Chase won the draw. Donohue, of the Philadelphia team, won the prize for the most accurate throwing. Schaefer, of Washington, was second.

In the base circling contest Collins, of Philadelphia, equalled the world's record of 14 1-5 seconds; Austin, New York, and Speaker, Boston, tied for second at 14 3-5 seconds. Austin won the toss.

Hooper, Boston, won the long distance throwing contest with a throw of 356 feet, 4 inches; Speaker, Boston, was second, with 345 feet 7 1-2 inches.

Austin, New York, won the 100-yard dash on the turf in 10 3-5 seconds; Hooper, Boston, was second.

Stahl, Boston, won the 100 yard dash for men weighing more than 200 pounds. Vaughn, New York, was second. Time 10 2-5 seconds.

Dygert, Philadelphia, won the funge hitting contest. Hughes, New York, was second.

Austin, New York, was the only contestant who succeeded in throwing the ball over second base from the catcher's position, beneath a bar six feet high at the pitcher's box. In the relay race circling the bases Boston and Philadelphia tied, 14 3-5 seconds. In the run-off both teams again tied at 14 2-5. The local team won the toss.

Only six inning were played in the baseball game between the Philadelphia and the team composed of players from the other clubs.

Wadesboro, June 29.—The home of Col. John Tyrant Patrick was the scene of a very pretty home wedding tonight at 6:30 o'clock. The parlor was tastefully arranged and potted plants with cut flowers and shaded lights were the decorations for the occasion. Miss Ethel, the accomplished daughter of Colonel Patrick, became the bride of Mr. Carl Raymond Lawson, of Winston-Salem. The vows were taken before Rev. J. H. West, the pastor of the Wadesboro Methodist church. Mrs. Clarence Burns presided at the piano and rendered the wedding music. The attendants were the sister of the bride, Miss Mabel Patrick, and the brother of the groom, Mr. W. E. Lawson, of Wilmington. Immediately after the ceremony the bride and groom left for a wedding trip, after which they will be at home in Winston-Salem, where the groom is engaged in business with the Wintson Drug Company. The bride wore a very pretty going-away costume of bronze chiffon serge, with hat, gloves and shoes to match and carried a bridal bouquet of Bride's roses and ferns.

PRETTY CHURCH WEDDING LAST NIGHT AT BLADENBORO.

Mr. William F. Rutland, of Wilmington, and Miss Roy M. Edwards, daughter of Mrs. Mary C. Edwards, of Bladenboro, were united in marriage at 9 o'clock last night, the ceremony being performed in the Presbyterian Church at Bladenboro, by Rev. C. F. Whitlock, pastor of Brooklyn Baptist church, this city. The church was beautifully decorated and was thronged with relatives and friends of the couple. The groom was attended by his best man, Mr. LeRoy Childs, of Wilmington, and the bride by her dame of honor, Mrs. LeRoy Childs. There were four other attendants, but their names were not learned. Miss Katie Rouark, of Wilmington, played the wedding marches. Mr. and Mrs. Rutland arrived in Wilmington on the late Seaboard train and will be at home for the present at Front and Walnut streets. Mr. Rutland holds a position with the Carolina Cut Stone Company and is very popular with a large number of friends. His bride is an attractive young lady and is well known in Wilmington. Many friends extend their best wishes.

POPULAR N. C. MINISTER WEDS IN RALEIGH.

Raleigh, N. C., June 30.—At nine o'clock tonight in Edenton Street Methodist church, Miss Maud L. Merrimon, daughter of the late Chief Justice Merrimon, of the North Carolina Supreme Court, became the bride of Rev. Jesse Lee Cuninggim, of the faculty of Vanderbilt University, Knoxville, Tenn., the ceremony being by Rev. W. L. Cuninggim, secretary of the North Carolina Methodist Conference. Among those here from a distance to attend were Senator and Mrs. Lee S. Overman; Miss Grace Overman, Salisbury; Mr. Branch H. Merrimon, Mr. W. B. Merrimon, Miss Elizabeth Merrimon, Miss Maude Lillian Merrimon, Greensboro; Mrs. E. H. Merrimon, Mrs. Fred Odell and Mrs. Irving C. Gregory, Salisbury. There was an audience assembled that completely filled the spacious church. The floral decorations were lovely in their perfect taste and simplicity. The bridal party comprised Miss Maude L. Merrimon, Greensboro, maid of honor; Miss Elizabeth Merrimon, Greensboro, bridesmaid; Mr. Harrell, Vanderbilt University, best man; Mr. W. B. Merrimon, Greensboro; Mr. E. B. Crow, Raleigh; Rev. Marvin Culbreth, Vanderbilt University, and Dr. North, Raleigh, ushers. The bride was attired in a lovely costume of white satin and rose point lace, her flowers being lilies of the valley. After the wedding there was a reception at the home of Mrs. Jno. B. Kenney, sister of the bride, for which the special decorations were pink, with sweet peas as an especially noticeable flower. Mr. and Mrs. Cuninggim have gone for a bridal trip North, after which they will be at home in Knoxville.

DANIEL'S FUNERAL TODAY.

Obsequies Will be as Simple as Possible—Soldiers to Attend.

Lynchburg, Va., June 30.—The funeral of Senator John W. Daniel will occur Friday afternoon at 5 o'clock from St. Paul's Episcopal Church and the obsequies will be as simple as they can be made.

The family decided against having a State funeral and the body will not be taken to Richmond to lie in state in the capitol, which had been offered by Gov. Mann for that purpose. So intense is the desire of the family for simplicity that there will be no public view of the body at the Daniel Home.

Bishop Tucker, of the Episcopal Diocese of Southern Virginia, will conduct the funeral. He will be assisted by Rev. Jos. B. Dunn and Dr. Robert H. Fleming, local ministers.

Washington, June 30.—Vice President Sherman today appointed the following Senators to represent the upper branch of Congress at the funeral of Senator John W. Daniel at Lynchburg, Va., next Friday.

Messrs. Martin, Rayner, Smith, of Maryland; Simmons, Dupont, Oliver, Warren, Kean, Bacon, Carter, Wetmore and Money.

The House will be represented by the entire Virginia Congressional delegation.

Representatives Payne, New York, Clark, Missouri, Bingham, Pennsylvania, and Hull, of Iowa and Tawney, Minnesota, also will be members of the House committee.

The two delegations will leave Washington for Lynchburg on a special train departing at 10 o'clock Friday morning.

Norfolk, Va., June 30.—Four companies of coast artillery from Norfolk and Portsmouth will leave on a special train over the Norfolk and Western Railroad tomorrow morning for Lynchburg to attend the funeral or Senator John W. Daniel. The train will leave this city at 8:15 o'clock and the troops will return immediately after the funeral. They are expected to get back here some time tomorrow night. The Richmond Blues will also leave on a special train to attend the funeral.

Judge Edmund Waddill, of the Federal District and Circuit Court today paid a high tribute to Senator Daniel. He said:

"I read with keen sorrow the news of the death of Senator Daniel. He was a big man and will be sadly missed, not only in Virginia, the State he loved so well, but elsewhere."

THREE KILLED IN MINE

Caused by Breaking of a Cable—Two Seriously Injured.

Harrisburg, Pa., June 30.—Three men were killed and two seriously hurt by the breaking of the cable hauling the truck in one of the slopes of the Wiconisco mine of the Lykens Valley Coal Company today. The truck was within a short distance of the top when the cable gave way and the platform with its five men was dropped over 500 feet to the bottom.

Andrew Dodd, aged 77 years, one of the oldest miners in the Lykens region; William Makanny, aged 16 and William Evans, aged 21 were killed out and suffered internal injuries. Charkes Williams, aged 23, was crushed on the right side, his arm and hand being mangled.

It is not known what caused the cable to give way. It was believed to be in good condition and was frequently used during the day.

CORPSES ARE RECOVERED

Rescue Parties Unable to Continue to the Head of the Licking.

Paintsville, Ky., June 30.—A report reached here that four more bodies have been recovered from the Licking river, making ten thus far. The river continues high and the country for miles on each side of the stream is strewn with debris.

The party of men which left Salyersville yesterday for the headwaters of the river, where further loss of life is feared, progressed only ten of the twenty-five mile journey, owing to the impassable condition of the mountain paths.

—Chief of Police N. J. Williams has been engaged for several days preparing a special report for future reference, showing the number of arrests and the offenses charged during the past two years.

—By deed filed for record yesterday Matilda A. Hayden to L. D. Latta and wife, for $1,250, lot on southeast corner of First and Park avenue, 133.53x330 feet in size, the same being lots 7 and 8 of Winter Park Gardens.

—Yesterday was the last day for listing taxes, personal, property and poll, and as is usually the case on the last day the list-taker for Wilmington township and his assistants had all they could do to keep up with the rush.

—Thirty-two marriage licenses were issued from the office of Register of Deeds during the month of June against 33 for the month of May. In June there were issued 13 to white and 19 to colored couples and in May there were 16 whites and 17 colored.

—The firemen were called out at 5:24 o'clock yesterday afternoon in answer to an alarm from box 61 on account of a small blaze at 917 Ann street, house owned and occupied by John Turner, colored. The blaze was caused by a spark from the chimney and the damage is estimated at $5.

NICARAGUAN SITUATION.

Estrada Would Exchange Salamanca for American.

Bluefields, Nic., June 30.—Gen. Estrada, leader of the provisional forces, has made an offer to the Madriz commander to exchange Col. Salamanca, who was captured in the engagement at Pearl Lagoon for William P. Pittman, the American engineer, who is in the hands of the enemy at Bluefields Bluff. Salamanca was formerly Governor of Greytown and has great influence in Nicaragua political circles. He was in command of the Madriz forces at Pearl Lagoon.

Gen. Estrada in making the offer for the exchange is not only anxious to rescue Pittman from his dangerous position, but wishes to demonstrate his friendly feeling for the United States.

Advices from Greytown state that Dr. Irias is sending all his men to San Carlos to protect that place from an attack by Gen. Mena.

The government customs house at Pearl Lagoon was taken last night by the rebels under Gen. Maris. The officers in the customs service were captured as was Gen. Matuty who was formerly associated with the revolutionary cause. Estrada's men also captured a large cannon and some provisions and ammunition.

The fighting lasted only 20 minutes and the total casualties are said to be fifty.

The steamer Columbia with coal and provisions for the government gunboat troops stopped off the lagoon today but not receiving signals agreed upon, departed, probably for Greytown. It is thought likely that President Madriz will order a custom house opened at Cape Gracias.

POSTAL CLERK CONFESSES.

Admits Having Taken $15,000 From Registered Mail Pouch.

Los Angeles, June 30.—Orlando F. Altore, a former postoffice clerk, has confessed to taking $15,000 from a registered mail pouch.

He says he gave most of the money to his attorney, Fred H. Thompson, who has been absent from the city for a week. The robbery was committed more than a year ago.

Paris, July 1.—Liaboeuf, the Pache, who killed a policeman several months ago, was guillioned at daybreak today. The socialists had attempted to get a reprieve for the assassin, but this failed and a violent manifestation by the revolutionary socialists occurred at the scene of the execution. At the very moment the blade fell, several of the rioters fired revolvers. The police charged them repeatedly with bayonets. A police captain was shot in the throat and several persons were badly injured.

STORM COMING FROM GULF.

Heavy Rains Fall East of the Mississippi Reported.

Louisville, Ky., June 30—The weather bureau in its report of conditions today says: "A storm of considerable strength has moved in from the gulf, and this morning overspreads the Middle Gulf States. Rains, heavy in many places, have occurred in Tennessee and the cotton section east of the Mississippi river. As much as four inches was reported from one station in Alabama, and from two to two and a half from other places in Louisiana and Mississippi and Georgia.

Very high temperatures continue over the North Central States and especially in the upper Mississippi valley and the upper lake region, where the minimum temperatures yesterday registered over 90. In Texas they ranged from 92 to 102.

There is considerable cloudiness this morning in the Ohio valley and southward over the East Gulf and South Atlantic States. The Gulf States' storm will move eastward during the next 24 hours, but will not extend north of Tennessee.

MRS. VANDERBILT UP IN AERO.

Takes a Flight With Oliver Harmon at Mineola, L. I.

New York, June 30.—Mrs. William K. Vanderbilt went up with Oliver B. Harmon in his aeroplane at Mineola, L. I. today. The flight was very brief, cut snort because a spectator got in the way.

Harmon purposely kept close to the ground for safety and had gone half way over the course when a man cut across ahead. To avoid a possible accident, Harmon rose sharply and attempted to make a long turn and go back to his starting point. But looking ahead, he saw a tree in his path and was forced to make a quick descent.

Both he and Mrs. Vanderbilt were jarred in coming down but neither was injured. The shock loosened several bolts in the machine and slightly damaged the rudder. Mrs. Vanderbilt, thrilled by the experience, walked smilingly back across the field and joined the enthusiastic spectators. Yesterday Harmon took up his wife.

RELIGION IS BARRED.

Supreme Tribunal of Illinois Reverses the Lower Court.

Springfield, Ill., June 30.—Religious exercises consisting in the reading of the Bible, singing and praying, can not be held in the schools of Illinois during the time pupils are required to be in attendance, according to a decision handed down by the Supreme Court here.

The decision was the conclusion of the case of the Catholic residents of Winchester, Scott county, who protested against religious exercises and asked for a writ of mandamus requiring the board to discontinue the religious services in the schools of Scott county.

The lower court denied the petition, but the court of last resort in the rate, by its action, granted the writ.

CENSUS GAINS IN SOUTH.

Commercial Congress Estimates the Increase in Population.

Washington, June 30.—That the census of 1910 will show the Southern States, including Missouri and Oklahoma, to have made a gain on population, according to the estimate, are estimate of the Southern Commercial Congress. The Congress estimates that population to be 32,415,297.

The gain of other States of the Union during the same period is estimated by the Congress to have been 18 1-2 per cent.

The five States of the South which have made the broadest gain in population, according to the estimate, are Oklahoma, Texas, Missouri, Georgia and Alabama. Oklahoma is said to have gained 1,250,000.

The figures were based upon provisional estimates of the census bureau.

MANEUVERS AT GETTYSBURG.

New York Troops Marched 200 Miles. Virginians Arrived.

Gettysburg, Pa., June 30.—The 29th United States Infantry under command of Major Edwin P. Pendleton, eached the camp of instruction this morning after a march of over 200 miles from Elmira, N. Y. This evening he second United States Infantry arrived by rail from Fort Thomas, Ky. Almost 2,000 United States troops are in camp tonight ready for the opening tomorrow. The Virginia and Maryland militia detachments will arrive by rail tomorrow morning and active maneuver work will start Saturday.

PORT ARTHUR OPEN PORT.

Japan's Action a Surprise—Free Port of Entry.

Tokio, June 30.—The announcement of the opening of Port Arthur to the shipping of all nations commencing July 1st, is published in the official gazette.

The decision some months ago of the Japanese government to open Port Arthur as a free commercial port of entry, caused some surprise, as this meant its elimination as a point of strategy for military and naval movements, and its development as a commercial city. One of the great advantages of the port is that it is free from ice in the Winter.

What you may have been calling the "good fortune in business affairs" of someone you know may be simply the courage to advertise.

FRECKLES

July Worst Month for This Trouble. How to Remove easily.

There's a reason why nearly everybody freckles in July, but happily there is also a cure for these ugly blemishes, and no one need stay freckled.

Simply get one ounce of othine, double strength, from J. Hicks Bunting Drug Co., and apply a little of it at night, and in the morning you will see that even the worst freckles have begun to disappear, while the light ones have vanished entirely. Now is the time to rid yourself of freckles, for if not removed now they will stay all summer, and spoil an otherwise beautiful complexion. Money back if othine fails.

MOTHER'S FRIEND

A LINIMENT FOR EXTERNAL USE.

Cheerfulness and a bright disposition during the months before baby comes, are among the greatest blessings a mother can bestow upon the little life about to begin. Her happiness and physical comfort will largely govern the proper development of the health and nature of the child. Mother's Friend contributes much to the mother's happiness and health by the relief and mental comfort it affords. It is a liniment composed of penetrating oils and medicines which lubricate the muscles and tendons of the body, soothe the swollen mammary glands, cause a gradual expansion of the skin and tissues, and aid in the relief of nausea. The regular use of Mother's Friend greatly lessens the pain and danger when baby comes, and assures a quick and natural recovery for the mother. Mother's Friend is sold at drug stores. Write for our free book, containing valuable information for expectant Mothers.

ADVANCE IN COTTON CONTRACTS

A Rapid Advance in July Contracts on the Market Yesterday—Opening Was Steady and Close Quiet—Conditions.

New York, June 30.—The feature in the cotton market today was a rapid advance of about $1.50 per bale in July contracts owing to covering by Wall street houses, who, apparently found very little for sale. Otherwise business was generally quiet and the new crop positions scored only moderate gains with the general list closing very steady at a net advance of 5 to 22 points.

The opening was steady at an advance of 2 to 8 points in response to steady cables and the weather map showing no precipitation of consequence in Texas while there was further rain in the eastern belt. At first the market showed no traces of excitement, but shortly after the opening brokers believed to be operating for Wall street houses entered the market as buyers of July. There was a little selling of this position by spot houses on a scale up, but the offerings from this source appeared to be inadequate and before there was any check to the upward movement July had sold at 15.42, or 30 points above the closing figures of last night. Later positions meanwhile had reached a net gain of about 5 to 13 points; August feeling the July strength in a greater measure than the new crop months. The demand appeared to be a little less urgent at this level and with indications that the bull leaders were letting go of a little July, the market reacted several points from the best under realizing, but firmed up again in the late trading when August and later months made new high prices for the day on bull support of August and covering of new crop shows owing to private reports of heavy rains in the Eastern belt. The private condition reports were issued before the opening showing an improvement over last month ranging from less than 1 to a little over 2 per cent. These reports did not seem to cause any change in views as to the probable showing of the government report tomorrow, as the average improvement shown suggested an official July condition of about 83 per cent. The approach of the three day's adjournment undoubtedly restricted general business and sentiment, moreover was very nervous as a result of unsettled Wall street conditions and fear of a July squeeze.

Receipts at the ports today 4,711 bales against 4,925 last week and 2,702 last year. For the week 20,000 bales against 23,318 last week and 31,138 last year. Today's receipts at New Orleans were 2,956 bales against 624 last year and at Houston 161 bales against 765 last year.

Spot closed quiet; 30 points higher; middling uplands 15.35; do gulf 15.60; sales 13,162 bales. Futures opened steady and closed steady.

VIOLENT RELAPSE IN STOCKS

Unexplained Conditions on the Market. Varying Losses Through Whole List of Stocks—Premature Rush Cause.

New York, June 30.—So violent a crash in prices of stocks as that which culminated today is not to be explained by the surface causes which have been advanced from day to day. Deeper causes are indicated and were sought by inquirers in the financial district today.

From the high point of last Thursday Union Pacific sold today at a decline of 20 points and from that maximum there were varying losses through the whole list of active stocks. The violent relapse which has followed brings forward the operation of more general causes which it was supposed had progressed so far towards correction as to pave the way for a general recovery. The stock market of yesterday and today showed how drastic a readjustment remained to be made. Probable dividend reductions by some of the railroads were freely discussed as even this foreshadowed from the action of the stock market. The outcome confirms the conviction of the unstable conditions which were the outgrowth of the premature rush of the recovery from the crisis of three years ago.

There has been a conviction that extensive commitments in speculative holdings of stocks which were carried through the culmination of last year's rise in October have been obstinately held ever since in the faith that each successive downturn in the market was a simple reaction destined to be followed by a resumption of the march of progress. It was current belief that market pools involved in such holdings were being liquidated yesterday and today in response to the imperative admonition of authorities in the banking and financial world, who believed that the credit positon must be strengthened and prepared for the exigencies of the coming Fall. The process proved a painful occasion and roved conclusive price adjustments. The quieter tone of the market in the ater dealings was proof of the relief lready offered.

The more immediate circumstances bearing on values indicated improvement in some respects. The drop in wheat was accompanied by reports of beneficial rains in the drouth stricken district of the Northwest. Private estimates of the cotton crop were held to foreshadow a good government report of conditions tomorrow. More ttentive perusal of yesterday's orders y the Interstate Commerce Commision modified the impression of their inclusive scope over practically all ailroad rates.

Money on call went no higher than 3 1-2 per cent., in spite of the disturbnce of loans connected with the day's mpairment of margins. The substantial recovery and the strong tone of he closing was evidence of the relief afforded by the day's purging and was taken as promise that the storm had spent its force so far as the stock market is concerned.

Bonds were weak. Total sales par value $3,350,000. United States bonds were unchanged on call. Total sales for the day 1,544,400 shares.

N. Y. Bonds.

THE GRAIN MARKET.

Chicago, June 30.—Wall street weakness appeared to be as much of a bearish influence on the wheat market today as the same cause was exactly the opposite in the first stages of the Northwestern crop scare. Explanation seemed to be in the fact that the grain trade is now figuring on the means to handle the coming crops. General selling of wheat had another powerful reason in a good rainfall at Bismarck, N. D., suggesting a general break in the drought which has threatened the yield in the Dakotas and Minnesota. Close prices were 2 1-2 to 2 3-4 net lower. Corn and oats respectively showed losses of 3-4 to 7-8 and 5-8 to 7-8. Provisions were unchanged to 5 down.

CONDITION OF COTTON.

Journal of Commerce Figures—Bureau Report Today—Rains.

(Special Star Telegram.)

New York, June 30.—The Journal of Commerce figures the condition 81.8 against 80.2 last month and 76.8 last year. This is about the estimate of the trade, the Giles report is 2 better for the month. The trade is waiting for the Bureau report tomorrow. There is little snap to the market, the sustaining feature being the quick advance in July on small outside covering business. This sharp movement indicates that control of that delivery Free offering of yarns are reported from Manchester.

Telegrams from the South report heavy rains in South Carolina and Georgia doing harm, and that the drought is injuring the Texas prospect. Trading is moderate and nervous with no disposition to take either side excepting for a turn.

TAR HEEL ALLEGED BURGLAR

Julian Wichard Son of Former Carolina Publisher in Washington.

Washington, June 30.—Two well dressed young men, 17 and 18 years old, were caught before dawn today leaving one of the prominent apartment houses in this city which they admitted they entered for the purpose of robbery. They were Eley B. Runyon, who says he is the son of Mrs Emily E. C. Runyon, a physician of Richmond, Va., and Julian R. Wichard, son of a former newspaper publisher in North Carolina.

Each of the youthful burglars were armed with a revolver and they had a complete burgar's kit including a dark lantern. The flashing of the dark lantern was seen by a policeman who made the arrest. A recent robbery of the home of Edward A. Moseley, secretary of the Inter-state Commerce Commission, has been traced to the boys.

When captured this morning the boys had entered the office of a physician and finding nothing there they wanted they departed to discover a more lucrative field for their efforts when the policeman saw their lantern.

The boys said they came to this city Tuesday night and registering at a hotel went out shortly after midnight to operate in a fashionable section of the city.

Runon boasts of his exploits in various cities of the West, saying he had been trained as a burglar by an adept, who is now serving time. Wichard claims that he recently met Runyon in Atlanta, where he has relatives and traveled with him without knowing his occupation until the two came to this city.

The boys will be given a hearing in court tomorrow.

Richmond, Va., June 30—Young Runyon, under arrest in Washington for alleged burglary, is presumably the son of Mrs. Emily C. Runyon, a practicing physician of good standing in this city. He got into trouble in a somewhat similar charge in Savannah, Ga., not long ago, and it is undestood that the day his mother obtained an order from Governor Brown for his transfer from a Georgia reformatory farm, to which he had been committed to one in Maryland, he made his escape and has since been in Atlanta. He is regarded here as decidedly abnormal in mental and moral development and his mother has much sympathy in Richmond because of his waywardness.

Young Wichard, who was arrested with him is unknown here, but is supposed to be the son of a well known North Carolina newspaper publisher.

OKLAHOMA CONTROVERSY

Wickersham Will Not Take Part—A Case For Congress.

Washington, June 30.—Oklahoma citizens, who favor Oklahoma City as the capital of the State, need not have any fear that the National government at this time will interfere to thwart their wishes. Attorney General Wickersham had been asked to institute proceedings to prevent the removal of the capital from Guthrie. While he has not made any formal announcement, it is known he does not contemplate interfering in the controversy.

The Attorney General holds to the opinion that the whole matter is a Federal one to be dealt with by Congress. The Department of Justice, he believes has no duty in the premises to perform in the absence of any specific direction by the legislative body.

SIX DEATHS FROM HEAT

Occurred In Philadelphia Yesterday. Five Were Children.

Philadelphia, June 30.—Six deaths from the heat occurred here today. Five were children and the other an aged woman. The maximum temperature for the day was 90 degrees at 4:15 o'clock. The mean temperature was 82 degrees, seven degrees above nomal.

New York, June 30.—Immediately on landing today from the steamer Teutonic, Miss Beatrice Forbes Roberts, neice of Forbes Robertson, the actor and herself an actress was accompanied by Swineburne Hale, a lawyer of this city to the city hall where they procured a marriage license. Mr. Hale gave his age as 26 and that of his prospective bride as the same. Mr. Hale said they would be married late today in the Church of Transfiguration.

THE SOUTHERN NATIONAL BANK

TAFT AND TEDDY BEST OF FRIENDS

(Continued From Page One.)

Norton sat about the wicker table and a merrier party would be difficult to imagine. The President was plainly affected, Col. Roosevelt was unfeigned in his delight. Meantime Senator Lodge, unfailing friend and intimate adviser of both, looked on with evident pleasure.

The former President met other old friends at Burgess Point. There was Rudolph Forster, assistant secretary to the President, who served in similar capacity under the Roosevelt administration.

"By George, it is good to see you Rudolph. It is just bully. I must tell Mrs. Roosevelt about this."

"Jimmy" Sloan, of the secret service, who climbed precipices, swam icy creeks and ran foot races with Mr. Roosevelt for seven years also came in for a hearty greeting.

Toward 1 o'clock word came that the colonel would start for Senator Lodge's home at Nahant at 2:45 P. M.

His way to Beverly led through parts of Lynn, Swamscot and Salem and in each of these places the colonel was quickly recognized and cheered.

President Taft was sitting in the library of his home, going over the mail with Assistant Secretary Forster when he heard the "honk, honk" of the Lodge automobile out front. He dropped everything and hurried out of the front door onto the porch. Col. Roosevelt was out of the machine in a moment and as the two men met their arms unconsciously went toward each other and their hands rested upon each other's shoulders.

It was some little time before the embrace was interrupted. Then President Taft warmly greeted Senator Lodge.

Soon the President and former President drew apart while the other looked on their tete a tete with smiling interest.

What of politics entered into the conversation, what words of reminiscence, what exchanges of experience during the past 16 months passed between the two men, no one on the veranda other than the two old friends themselves was permitted to know.

There were so many peals of laughter, so many slaps upon the back, so much of cordiality that it was apparent there had been no suggestion of even the remotest conflict of views.

Col. Roosevelt was asked if he would visit Beverly again. "I don't know that I shall," he replied.

Roosevelt Denies Report.

Nahant, Mass., June 30.—A vigorous declaration that he had not injected himself in the New York State political situation to the extent of endeavoring to persuade Gov. Hughes to make a third gubernatorial campaign was made today by Col. Roosevelt, following his visit to President Taft at Beverly.

The attention of Mr. Roosevelt was called to the statement printed in a morning paper in which Col. Roosevelt was quoted as telling Gov. Hughes yesterday that the Governor was the only man who could save New York State to the Republican party. When the former President had read the clipping he asked if the report was intended as a joke and then declared with emphasis and with vigor: "It is wholly untrue. Utterly preposterous. I never said any such thing. There is not a word of truth in it."

Further than making this statement, Col. Roosevelt refused to talk politics.

The former President had a much quieter time today than yesterday—that is so far as the public could judge. After a night at the home of Senator Henry Cabot Lodge at the latter's estate, perched high on the Nahant cliffs, and overlooking the ocean, the colonel remained in seclusion all the forenoon, denying himself to all callers.

Luncheon was hardly ended before Col. Roosevelt and Senator Lodge started for Beverly to call on President Taft.

The trip back to Nahant after the conference was without incident, the automobile reaching Senator Lodge's estate at 6:40 P. M. As it passed inside the grounds the gates were closed and two policemen forbade any one to enter.

Tomorrow morning Col. Roosevelt will call on Justice W. H. Moody, of the United States Supreme Court, who is ill at a private hospital in Brookline. He will return to New York later in the day.

THE SWINDLE AT HAITI

Former Minister of Finance Appears Before Court.

Port au Prince, Haiti, June 30.—P. Faine, minister of finance, during the adminstration of former President Sam and who was convicted as the principal author of the fraudulent bond issue of 1902, appeared before the criminal court today and appealed from the judgment in Contumacy entered against him.

After Faine fled the county he was tried and condemned to 15 years imprisonment at hard labor and to pay a fine of $30,000 in addition to the restitution of the money obtained by him with the bogus securities. The other persons concerned in the swindle included President Sam, who was sentenced to imprisonment for life at hard labor, and his wife, who was given fifteen years, were pardoned by President Nord Alexis after they had served a portion of their imprisonment and had paid a part of their fines.

CURTISS FLYS OVER LAKE.

Shows Effectiveness of Aeros in Naval Warfare.

Hammondsport, N. Y., June 30.—To demonstrate the effectiveness of the aeroplane in naval warfare, Glenn H. Curtiss, the aviator, made several flights in a biplane over Lake Keuka today in the presence of Admiral Kimball, of the Navy Department, at Washington, and dropped 20 bombs at marks. It is credited with having hit the mark 18 times in the 20 trials. Admiral Kimball is said to have expressed himself as greatly impressed with the possibilities of the aeroplane in warfare.

Norfolk, Va., June 30.—The Italian steamship Citta di Messina was libelled in the United States Court here today by the John N. Robins Company, of Brooklyn, claiming $8,477 for repairs.

MISS WENDLER MURDERED.

Body of Missing Woman Found in Missouri River Yesterday.

Jefferson City, Mo., June 30.—The body of Miss Anna Wendler, of Osage City, Mo., who disappeared Tuesday, was found in the Missouri river by fishermen tonight, at a point five miles west of Osage City. A heavy dent in her forehead, evidently made by a blunt instrument, strengthens the opinion of the county authorities that she was murdered.

Miss Wendler left her home to visit neighbors, and had apparently started on the way back when she met death. Her basket, shoes and parasol were found on the river bank about two miles from Osage City this morning. Along side of them was a pipe and a package of tobacco.

Whether she was killed at the place where her effects were found and carried up the river in a boat, or made to walk to the scene of her death, are theories being investigated by the Osage county coroner.

Farmers and residents of Osage City are searching for the murderer and a lynching is feared in the event he is caught.

John Wendler, the father of the girl, tonight offered a reward of $300 for the apprehension of the murderer.

ASK ROOSEVELT'S SUPPORT.

Tennessee Congressman Calls His Attention to Income Tax.

Washington, June 30.—Former President Roosevelt's support of the income tax amendment pending before the New York Legislature is sought by advocates of such a tax. The action of Col. Roosevelt yesterday in pressing his approval of the Cobb direct primary bill at the request of Gov. Hughes, inspired Representative Hull, of Tennessee, to send the following telegram to him today:

"As you are willing to urge your State Legislature to enact wholesome legislation, I venture to ask your attention to the income tax amendment before your Legislature, which recently failed by but one vote. New York's action is of commanding importance. All parties, the President and you, former President and foremost American private citizen, have endorsed a tax upon incomes. May I suggest your potent influence to the end of New York's ratification of such tax. It is a measure of economy, beneficial alike to the government in augmenting its revenues in the simplest way and at the same time relieving the people of present forms of taxation, excessive to those least able to bear it."

TRIBUTE TO MIDSHIPMEN.

Two Drowned in Effort to Save Life of Young Woman.

Washington, June 30.—"In the opinion of the superintendent, Midshipmen Thomas and Mason met their death in an act of duty while making an heroic effort to save the life of a young lady with whom they were swimming."

In these words Capt. John M. Bowyer, superintendent of the Naval Academy at Annapolis, today noted the close of the naval career of the two midshipmen who last Tuesday lost their lives in trying to save from death the superintendent's daughter-in-law, Mrs. Joseph M. Bowyer. The notation was made on the official report to the Navy Department of the board of inquest which concluded that the deaths of the midshipmen "were occasioned by an act of duty—swimming exercises—in which they were engaged when it occurred." The members of the board were Lieut. Commander J. J. Raby, Lieut. Commander Roland I. Curtin and Passed Assistant Surgeon E. L. Woods.

Laurel Hill, Fla., June 30.—J. H. Givens, president of the Bank of Laurel Hill, and manager of the Florida-Alabama Land & Timber Company, with plants at Pensacola and at Falco, Ala., was shot from ambush at a late hour last night as he was riding on horseback to his home in Laurel Hill. Two charges of buckshot struck him in the arms and legs, but it is not thought they will prove fatal. There is no clue to the would-be assassins.

Plymouth, Eng., June 30.—The American practice squadron composed of the battleships Iowa, Indiana and Massachusetts, with about 500 midshipment from the United States Naval Academy aboard, sailed this evening for Marseilles. Midshipman G. A. Smith, of Illinois, and R. E. Byrn, of Virginia, who are sick, are still in the naval hospital here.

UNITED STATES OF AMERICA, Eastern District of North Carolina—ss. In the United States District Court in and for said District. Fourth Division. In the Matter of Floyd Brothers & Mitchell, Inc., Involuntary Bankrupt. No. 151. In Bankruptcy. Petition for Discharge. To the Honorable H. G. Connor, Judge of the District Court of the United States for the Eastern District of North Carolina: Floyd Brothers & Mitchell, Inc., of Fairmont, in the County of Robeson and State of North Carolina, in said District, respectfully represents that on the 7th day of June, 1909 last past, he was duly adjudged bankrupt under the acts of Congress relating to bankruptcy; that he has duly surrendered all his property and rights of property, and has fully compiled with all the requirements of said acts and of the orders of the court touching his bankruptcy. Therefore he prays that he may be decreed by the court to have a full discharge from all debts payable against his estate under said bankrupt acts, except such debts as are exempted by law from such discharge. Dated this 22nd day of June 1910. Floyd Brothers & Mitchell, Inc. By A. N. Mitchell, President, Bankrupt. **ORDER OF NOTICE THEREON**. Eastern District of North Carolina, County of New Hanover—ss. On this 29th day of June 1910, on reading the foregoing petition it is ordered by the Court. That a hearing be had upon the same on the 11th day of July 1910 before Geo. H. Howell, Referee of said court, at Wilmington, N. C., in said district at 12:00 o'clock in the —— noon, and that notice hereof be published in The Wilmington Star, a newspaper printed in said district, and that all known creditors and other persons in interest may appear at the said time and place, and show cause if any they have why the prayer of the said petitioner should not be granted. And it is further ordered by the Court. That the Clerk shall send by mail to all known creditors copies of said petition and this order, addressed to them at their places of residences as stated. Witness the Honorable H. G. Connor, Judge of the said Court, and the seal thereof, at Wilmington, N. C., in said district, on the 29th day of June, A. D., 1910. Attest: S. P. Collier, Clerk. jul1 1t
